

Madison Sports

By JOHN SCHAEENMAN

A rash of errors and strong opposing pitching took its toll on Madison's Varsity Baseball team as the Patriots dropped four straight. Despite the losses Madison still had a winning record as of last week.

Eight errors managed to upstage Tim Wilde's 4-hit pitching as West Henderson defeated Madison 4-1. The Patriots only managed one hit a double by Andrew Anderson.

Eleven errors, nine of them in the fifth inning, turned a close game into a 7-2 victory by Sylva Webster over Madison. Leading hitters for Madison were Andrew Anderson, Bobby Frisby, and David Massey with two hits apiece.

Lewis Taylor pitched a 3-hitter and four Madison errors in key situations combined to allow Hendersonville to defeat the Patriots 5-1. Several Junior Varsity players gained experience in the game. Freshman Tim Clark, and sophomore hitters like Tim Merrill and Steve Fish, the Patriots will have a team capable of winning the Little MAC conference next year.

TASK FORCE

WASHINGTON (AP) — A 14-member task force has been appointed to study relationships between the National Endowment for the Arts and local community arts groups in the country.

Softball Plans Announced

There will be an umpires' clinic held at Mars Hill College on the baseball field for all persons wishing to umpire in the Madison County Leagues this summer. (Men, Women, Youth Softball) The clinic will cover all aspects of umpiring from rules to proper positioning. The goal is to have a well-trained competent crew of umpires so that the summer leagues can be run smoothly. Anyone who wants to work as an umpire in Madison County must take this training. The clinic will run from 6:30 p.m. to 8:30 p.m. on May 31. "Please pass the word on," Kevin Morley, director, said.

Corn Acreage Should Be Reported

Regulations for the 1979 Feed Grain Program administered by the Agricultural Stabilization and Conservation Service, requires that corn, other NCA crops and set-aside acreage be reported by July 15.

This certification is necessary for farms participating in the set-aside program and also those who are not enrolled.

W.B. Zink, county executive director of the Madison County ASCS office, explained that

on participating farms the reported acreage of planted corn will be used to compute the payment under the set-aside program. On non-participating farms the reported acreage of planted corn will be used as planted and considered planted acreage for future programs.

"All farmers who plant corn in 1979 are urged to report their planted acreage to the ASCS office as soon as planting is completed, but no later than July 15," Zink said.

Graduate

Bruce Paul Randall, son of Mr. and Mrs. Paul Randall of Route 7, Marshall, graduated from Wake Forest University May 21. He was among about 950 students who received degrees.

Randall majored in mathematics and economics and received the B.A. degree. He was active in intramural sports.

DECORATION

There will be a decoration at the Paint Rock Cemetery this Sunday beginning at 2 p.m.

Boosters Club At Laurel Is Continued

The Laurel Boosters Club met May 15 at the Laurel School. This was to be the final meeting if parents failed to show more interest in the organization. However, instead of the usual six or seven persons attending, there were 30 present. "We are greatly encouraged by the increased interest but there are many more persons who should become involved," officials of the club said.

Election of officers was held at the meeting, as follows: Dwayne Cutshall, president; Slowly Franklin, vice president; Edith Rice, secretary; Betty Jane Ramsey, treasurer; and Barbara Jane Cutshall, reporter.

In an effort to raise funds for the club, members decided to hold a youth carnival on May 26 at 7 p.m. at the school. Admission will be 50 cents for adults and 25 cents for students.

Members explained that the youth carnival would be similar to the Halloween Carnival with bingo, cake walks, ball throwing, a beautyless contest, etc. Added attraction will be a disco room.

The treasurer's report which was read at the meeting disclosed that during the club's two years, \$11,061 has been raised. Expenses have been \$10,711.38, leaving a balance of \$394.62.

"This has been an unbelievable effort by the club. We thank each and every person who has helped and hope you will continue to do so," the president stated.
