

Miss Rice Weds Hugh Flemming

Rebecca Jane Rice and Hugh Rocky Flemming were married at 6 p.m. Saturday in Hopewell Baptist Church. The

Rev. Ralph McDevitt conducted the ceremony. The bride is the daughter of Mr. and Mrs. Robert Rice of

Marshall. Flemming is the son of Hugh Flemming of Hot Springs and Betty Roberts of Newport, Tenn.

The bride was given in marriage by her father. Penny Buckner of Marshall was maid of honor. Bridesmaids were Sandra Flemming, sister of the bridegroom, and Jenia Snelson, both of Hot Springs. Michelle Hoyle, cousin of the bride, was flower girl and Darrell Hall, brother of the bridegroom, was ringbearer.

The maid of honor wore a long yellow sheer gown and a white picture hat. She carried a nosegay of yellow and white daisies with yellow streamers.

The bridesmaids were dressed in similar attire with long yellow Swiss gowns having tiny floral design. The flower girl wore a long solid yellow dotted Swiss gown, a white picture hat and carried a basket of rose petals.

The bride wore a white satin gown overlaid with Chantilly lace, a fingertip veil and carried a bouquet of white daisies and babies' breath, having white streamers.

The bridegroom had as his best man his cousin, Van Brown of Hot Springs.

Doug McDevitt of Walnut and Dewayne Snelson of Hot Spring were ushers.

Donna Ward of Marshall, organist, presented a program of wedding music prior to the wedding and played the traditional wedding marches.

Kesha Manow, cousin of the bride, from Charleston, S.C., kept the bride's book.

A reception followed in the fellowship hall. Those serving were Paula Roberts, cousin of the bride; Donna Flemming, sister of the bridegroom; Jane Hoyle, aunt of the bride, all of Marshall; and Christine Hayes of Hot Springs.

The cake was baked by Rhodena Hollifield, aunt of the bride from Dandridge, Tenn.

The bride's gown and those worn by her attendants were made by her grandmothers, Mrs. Zora Rice and Mrs. Evelyn Hollifield.

MR. AND MRS. THERON F. ANGEL of Mars Hill celebrated their 68th wedding anniversary May 13. They were married May 14, 1911. They have eight children, Mrs. Len Chandler, Aline Angel, Summie Angel, Ralph Angel and Rothly Angel, all of Mars Hill, and Johnnie Angel, Alden Angel and Hazel Hyer, all of Weaverville. Violet Navy Returns From Goodwill Tour

A 20-member delegation of North Carolina Extension Homemakers, including Miss R. Violet Navy of Mars Hill, has just returned from a two-week People-to-People goodwill tour in England, the Netherlands, Italy and Switzerland.

During the diplomatic travel program, delegation members met with local homemaking leaders in London, Rome and Geneva. American Embassy briefings were held in London, Scheveningen, Berne and Geneva.

The purpose of the tour was to give delegation members an opportunity to carry messages of friendship to their counterparts in Western Europe. It also allowed them to visit typical United Nations

related operations to learn and compare methods and procedures. The mission was an official program of People-to-People International, a non-profit, private sector organization founded in 1956 by President Dwight D. Eisenhower to promote world peace through international understanding.

Highlights of the tour included a briefing at the International Headquarters of the Associated Country Women of the World in London; a visit to the Rijksmuseum full of Rembrandts in Amsterdam; a drive through the Ghianti country of southern Tuscany; and visits to the International Red Cross and World Health organizations in Geneva.

Miss Navy is a retired home economics teacher and extension home economist. She is active in extension homemakers and other community and county organizations.

AUTOMATIC ELECTRIC DRYER
PRICE \$239.95

Speed Queen quality starts up front where you can see it. The handsome control panel effectively combines form with function. At a glance you see that this is a dryer you can control with ease!

You get big drying capacity in a narrow cabinet. Fits into tight spaces where most brands won't. Yet Speed Queen's large 57 cu. ft. cylinder handles the really big loads. An extra large door opening and shorter reach to the bottom of the cylinder make loading and unloading a breeze.

Speed Queen's unique baffles design provides a consistent tumbling action for more uniform drying. So even light loads tumble better!

The back and both sides are solid one-piece construction for greater strength and vibration-free operation. So strong, it even remains rigid when the load panel is removed for servicing.

It's no surprise that every Speed Queen dryer carries a one-year full parts and labor warranty covering the entire machine. You can see why Speed Queen is built better to last longer.
