Hot Springs Housing Ret on of 15 to 21 sub units and demolition of 3 and structures in the Sil of 3 vac and Spring Creek target areas. These areas are located along Silvermine Road on the east bank of the French Broad River, and along NC 209 and Spring Creek in the Town of Hot Springs in Madison County, North Carolina.

The project has been proposed for the French Broad River and Spring Creek floodplains. The reasons for this project are as follows:

Through a series of public hearings and a community survey, the Town of Hot Springs has determined that housing rehabilitation is a major need, and the two target areas were determined to have the greatest concentration of need. The project will contribute to the prese vation and conservation of substandard homes and the alleviation of a shortage of low and moderately priced housing. The living conditions and environment of 79 residents living in the target area will be improved. Potentially dangery health and safety hazards will be rem ed via demolition of 3 vacant dilapida structures. Additional information on the proposa

## **CONTINENTAL PRESENTS** THE \$1.30 FAMILY REUNION.

The cost of getting a family together shouldn't keep a family apart.

Fortunately, long distance rates are still a bargain. In fact, they're low enough to keep you close to every side of your family. No matter how far away they might be.

For example, if you have family in Bakersfield, California and you live in Lewiston, Maine, a threeminute call will cost you no more than \$1.30, excluding federal and local taxes.

Those regular rates apply if you dial direct without operator assistance anytime between 8 A.M. and 5 P.M. If you call during one of our bargain calling periods (weekends and week nights after 5 P.M.) you can save up to 60% off our regular rates. So don't wait until next week, or next month, or next year to have your next family reunion. Pick up your phone and
