## What to do:

- 1. Put popped popcorn in a buttered bowl.
- 2. In a double boiler, heat marshmallows, butter and salt. Stir often.
- 3. When mixture is melted, pour over corn in the bowl. Use your clean hands to help coat popcorn. Put butter on your hands so popcorn won't stick.
- 4. Before the marshmallows harden, quickly stick mixture around the lollipops to make snowballs.
