Arvol Coates of Grapevine asked for the unpaved section of upper Grapevine road to be paved - especially the 0.7 mile from the end of the pavement to where the school bus turns around. Presently the whole 4.8 miles of upper Grapevine is listed as priority number 46, without a breakdown for the first 0.7 miles, which is relatively flat and straight.

Lewis Gosnell and Larry McCall of Hot Springs put in a strong bid to have Lower Shut-in road paved. This stretch is number 14 on the list, with 2.1 miles, 16 houses and a traffic count of 125. Both men said that there was little point in a public meeting if the priorities were already established. Earl McEntyre replied that the priorities are set by formula, but that it is the commissioners' job to determine what work will acturally be done.

"I wish we had more money," said McEntyre. "It would cost \$31.5 million or more to complete all the roads invited to take part in the bid- out here, plus the cost of replacing the bridge." With
