CLIENT PASSES

Persons who have been receiving transportation to nutrition sites, child development centers, Unaka and Mountains of Madison programs will receive an identification pass to be shown to the van driver when boarding the bus. The programs in which these persons participate will pay the costs for transporting their clients.

HOW TO RESERVE A RIDE

If you need a ride to a location in Madison County, you must call in advance, at least the day before you need a ride. Call 649-2219 and let us know where you need to go.

BAD WEATHER

The transportation system will not operate in inclement weather (ice, snow, etc). The policy which the office will follow will be that vans will not operate when the county school system does not operate for bad weather conditions. Announcements will be made on the radio to notify you of time changes, schedule changes, or cancellations.
