

Legal Notice

APPENDIX A REVISED TO ALL CONTINENTAL TELEPHONE COMPANY SUBSCRIBERS NOTICE OF HEARING SHARING AND RESALE OF LOCAL EXCHANGE SERVICE DOCKET NO. P-100, SUB 73 BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

NOTICE IS HEREBY GIVEN that the North Carolina Utilities Commission has instituted a proceeding to investigate whether current tariff provisions prohibiting the sharing and resale of local exchange telephone service should be modified. The proceeding was undertaken in response to a June 27, 1984, tariff filing by Southern Bell Telephone and Telegraph Company which provides service. The tariff would allow, for example, the owner of a multi-tenant office building to furnish telephone service to the firms occupying his offices by sharing or reselling local service furnished to him by Southern Bell.

The Commission would also consider in this docket a tariff filed by Southern Bell on October 11, 1984, which proposes to establish rates and regulations for Public Telephone Access Service whereby subscribers would be allowed to connect FCC registered coin-operated or coinless stations to measured rate local exchange lines.

The Commission has concluded that the filings raise basic legal and policy issues and that a general investigation involving all regulated telephone companies should be conducted. In this investigation, the Commission will consider not only the revisions proposed by Southern Bell but also whether or not similar revisions should be made in the tariffs of other telephone companies.

The Utilities Commission has suspended the proposed tariffs, has set the matter for investigation and hearing, and has made all regulated telephone companies in North Carolina parties to the proceeding.

FUTHER DETAILS

The details of the proposed tariffs are available at telephone company business offices or at the North Carolina Utilities Commission, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina, where a copy of Southern Bell's tariffs are available for public review in the office of the Chief Clerk. The Commission will consider additional or alternative revisions which were not included in the original tariffs and may order changes which differ from those proposed by the Company. Upon request, the Commission will place copies of the tariff in centrally-located public libraries. The material may be copied without prohibition at the library.

HEARING SCHEDULE

The Commission has scheduled a hearing in Raleigh to receive testimony on this matter from the regulated telephone companies and other interested parties. This hearing

is scheduled as follows: Raleigh: Monday, December 10, 1984 at 11:00 a.m. in Commission Hearing Room 217, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina.

APPEARANCES, INTERVENTIONS AND COMMENTS

The Commission requires that each telephone company operating in North Carolina inform its customers of the following procedure by which comments regarding this matter can be made part of the record of the case upon which the Commission must base its decision. Persons desiring to intervene in the matter as formal parties of record should file a petition under North Carolina Utilities Commission Rule R1-19. The testimony of formal intervenors shall be filed with the Commission on or before Wednesday, November 21, 1984.

Other persons desiring to present testimony for the record should appear at the public hearing. Persons desiring to send written statements to the Commission should submit their statements prior to the hearing and should include any information which those persons wish to be considered in the investigation of the matter. The contents of the letters and petitions will be received in the official file as statements of position. Specific facts, however, will only be considered and on the basis of testimony presented at the public hearing. Interventions or statements should be addressed to the Chief Clerk, North Carolina Utilities Commission, Post Office Box 991, Raleigh, North Carolina 27602.

The Public Staff of the Utilities Commission, through its Executive Director, is authorized by statute to represent the using and consuming public in proceeding before the Commission. Statements to the Executive Director should be addressed to:

Mr. Robert P. Gruber
Executive Director
Public Staff
P.O. Box 991
Raleigh, N.C. 27602

The Attorney General is also authorized by statute to represent the using and consuming public in proceedings before the Commission. Statements to the Attorney General should be addressed to:

The Honorable Rufus L. Edmisten
Attorney General
c/o Utilities Division
North Carolina Department of Justice
Post Office Box 629
Raleigh, North Carolina 27602

ISSUED BY ORDER OF THE COMMISSION.
This the 17th day of October, 1984.
NORTH CAROLINA UTILITIES COMMISSION
SANDRA J. WEBSTER, CHIEF CLERK
Oct. 31, 1984.

Another Good Reason to Vote for...

Jim Martin GOVERNOR

"Edmisten has avoided the politically unpleasant chore of investigating fellow politicians

as well as heretofore generous campaign donors..."
News and Observer, Raleigh

"Edmisten told investigators he assigned to probe charges of illegal political activity... that they should not embarrass Democratic officeholders, several N.C. Justice Department sources say." Charlotte Observer, 10/2/75

Jim Martin would eliminate the double standard of justice that now prevails, and bring about even-handed administration of law enforcement. He wants every man to be treated equally at the bar of justice.

He Wants Equal Justice for all.

Melvin Honored

Bailey Melvin, a senior at Madison High School, has been named as a Commended Student by the 1984 National Merit Program. Melvin, the son of Mr. and Mrs. Robert Melvin of Mars Hill, is enrolled in the North Carolina Scholars Program. He placed in the top five percent among more than one million participants nationally.

Melvin was recently presented with a letter of commendation from the National Merit Scholarship Corp. in recognition of his achievement. Participants entered the national competition by taking the Preliminary Scholastic Aptitude Test.

Hendon Wins Student Poll

Challenger Bill Hendon outpolled incumbent Rep. James McClure Clarke in a mock election held at Mars Hill College last week.

Some 400 students took part in the poll sponsored by the Student Government organization. Hendon received 61 percent of the vote while Clarke received 32 percent of votes cast. Seven percent of voters remain undecided.

The Tiller That's Really a Walk-Behind Tractor

BCS tillers do a lot more than till. Because the tiller unit can be replaced by a lot of other implements. Like the snow blower, or a lawn mower, or a sickle-bar cutter. And it only takes a few minutes to make the change. But you really have to see it to appreciate it.

Come in and check out this mechanical masterpiece. Ask to see the BCS in action.
