

"UP WITH PEOPLE" WILL ENTERTAIN MICRO SWITCH EMPLOYEES NEXT WEEK AS PART OF HONEYWELL'S 100TH ANNIVERSARY CELEBRATION.

Youth troupe will also entertain audiences at Madison H.S. and the Madison Manor Nursing Center during tour of Madison County.

## 'Up With People' To Entertain Micro Switch Employees

BY KATHY STUMPF

Employees of Honeywell's MicroSwitch, Mars Hill facility will celebrate the company's 100th anniversary on May 25 with a performance by the internationally acclaimed musical group "Up With People." The performance for employees and their families will be held at 7 p.m. at Moore Auditorium in Mars Hill.

"Up With People" is a group of 120 young adults from around the world who celebrate the human spirit through music and dance. In addition to the "Up With People" performance for its employees and local dignitaries, Honeywell will sponsor performances by the troupe at Madison High School, Eliada Children's Home, Madison Manor Nursing Home and the Mountains of Madison Sheltered Workshop on May 24th.

"Up With People" spreads feelings of warmth and community spirit wherever they perform," said Robert Holey, location manager at MicroSwitch. "We couldn't think of a better way to communicate Honeywell's appreciation for its employees and friends in the Mars Hill area on this occasion". In all, "Up With People" will visit 21 cities in the United States, 2 in Mexico, 3 in Canada and 11 in Europe during April, May and June to help Honeywell's 93,000 employees celebrate the Company's Centennial.

The Mars Hill facility began operations in early 1973 to manufacture the basic switch line of products. In 1979, the SM miniature switch was added, and in 1983, the SX sub-miniature pro-

HONEYWELL'S MICRO SWITCH PLANT IN MARS HILL

duct was started. MicroSwitch is the world's largest switch and industrial control manufacturer. The Mars Hill plant employs approximately 500 people.

Honeywell is a \$6 billion company based in Minneapolis, Minn. with offices around the world. The

company's major businesses are in aerospace defense, control products, control systems and information systems. The company was formed in 1885 when Minneapolis inventor Albert M. Butz began manufacturing automatic temperature controls.

## Saturday Night Singing Planned At Walnut Creek Baptist Church

The Walnut Creek Baptist Church will hold their regular third Saturday night singing on May 18 at 7 p.m. The David Shelton family and the Sexton Quartet are expected to perform. Everyone is invited to attend.

## Janice Moore

### Receives Degree

Janice Moore of Marshall was awarded an associate degree from Montreat-Anderson College during graduation ceremonies held May 4 at the Anderson Auditorium in Montreat.

A graduate of Madison High School, she is the daughter of the Rev. and Mrs. George Moore.

## Woody Inducted In Fraternity

Connie Woody was inducted into the Gamma Chapter of Epsilon Pi Tau (technical education and technology honors fraternity) at Appalachian State University.

Woody is the daughter of Mr. and Mrs. Garland Woody of Hot Springs. She is a senior majoring in printing production management.

## Five Receive NC State Degrees

Five Mars Hill residents received degrees from North Carolina State University during the school's commencement exercises Saturday in Raleigh.

Margaret A. Pressley was among the 37 members of the N.C. State School of Veterinary Medicine to receive her doctorate in Veterinary Medicine. Miss Pressley is a member of the school's first graduating class.

Brenda G. Snyder received a masters degree in electrical engineering.

Bachelor's degrees were presented to Teddy G. Allison, Alfred F. Dockery and Deborah J. Wood.

## DOT Replacing Bull Creek Bridge

A section of Laurel Branch Rd., SR 1574, will be closed for the next six weeks while N.C. Dept. of Transportation crews replace a bridge over Bull Creek. The bridge is located two miles south of N.C. 213.

During construction, traffic will be detoured over Bend of Ivy Rd. (SR 1576) for 1.7 miles and over SR 1611 for one mile to N.C. 213.

## Farm Bureau Names Jenkins

William Bobbitt (Bob) Jenkins was today named President of the North Carolina Farm Bureau Federation to serve the remaining portion of the unexpired term of the late John W. Sledge, who died in office in April, 1985. Jenkins' appointment to the top office within Farm Bureau came on action by the 57-member Board of Directors of Farm Bureau meeting in Raleigh today.

Jenkins is a 22-year employee of Farm Bureau who had served as Assistant to the President of Farm Bureau and as legislative coordinator since 1975. He had also previously served as Director of Field Services and as a Field Representative.

Jenkins' term will run until the December, 1986, annual meeting of Farm Bureau when at-large elections

**MAKE THE RIGHT TURN**

Our interstate roads tell us something about human character: We need challenges and a map or plan to guide us in life.

We spend time putting together a route we'll look at once or twice — then discard.

There are different kinds of challenges. To the climber, a mountain presents a physical challenge. To the mathematician, an equation presents a mental challenge.

Through the centuries one of the most important challenges has been spiritual. God gave us the capacity to explore our relationship with HIM, to discover the deep truths that give life its richest meaning.

Don't discard the challenge of Faith. Join your neighbors next week in worship.
