Vote James Ledford for Madison County Board of Commissioners in May 6th Primary

I am currently serving as the Chairman of your Board of County Commissioners, and in addition serve as the Chairman of Region B and the Chairman of the Board for Blue Ridge Mental Health. I believe that with your help much has been accomplished for the County during my tenure as a Commissioner. There remains much to be done, including improving our school buildings, transportation system, economic development and in many other areas.

I believe that my experience not only as a Commissioner, but my involvement and leadership with Region B, Blue Ridge Mental Health and all areas of State and Regional government make me very able to serve the continued needs of Madison County.

I ask for your vote, and I would be most appreciative of receiving same.

JAMES T. LEDFORD FOR COMMISSIONER

I pledge that if you renominate me as one of your candidates for Commissioner that I will wage a vigorous and effective campaign in the Fall to insure my election and the election of the entire Democratic Ticket.

I believe that my experience and record as a County Commissioner clearly establishes that I am worthy and deserving of your vote.

Your vote is appreciated.
