

Wells, Gossett Marry

Nancy Jean Wells and Dwayne Gossett were united in marriage on Friday, April 24, at the home of the Rev. and Mrs. Squire Parsons of Leicester. The Rev. Parsons conducted the double-ring ceremony.

The bride, a West Asheville resident, is the daughter of Mr. and Mrs. Forrest Wells of Chesapeake, Ohio. She is the granddaughter of the late Mr. and Mrs. Joshua Wells and Mr. and Mrs. Ira Haney Ward of Huntington, W. Va.

Gossett is the son of Mr. and Mrs. Wayne D. Gossett of Leicester. His grandparents are Mr. and Mrs. Charlie King and Mr. and Mrs. J.F. Gossett of Leicester.

The bride wore an ankle-length gown of Marquisette over silk and carried a bouquet of white rose buds and wild flowers. Her waist-length veil was adorned by a halo of small white flowers.

Mrs. Linda Parsons served as matron of honor. Tiffany Caldwell, 4-year-old daughter of Mr. and Mrs. Don Caldwell, was flower girl. Young Samuel Parsons carried the rings.

Best man was Mr. Gossett.

Mrs. Gossett graduated magna cum laude from Symmes Valley High School. She is currently executive secretary to Squire Parsons. Mr. Gossett is a graduate of Asheville Christian Academy and attended

Mars Hill College. He works with his father and mother in the family business in Leicester.

The couple will live in Leicester. They have planned a wedding trip for July.

Mars Hill VFD Sponsors Child ID Program

In the wake of a continuing increase in the number of missing children in the United States, the Mars Hill Volunteer Fire Department and Rescue Squad will conduct a program to provide complete identification records for area children.

The program is a part of Child Registry, a new concept designed to help combat the rampant problem of missing children -- a problem program organizers call "one of the true horror stories of our time."

The idea behind Child Registry is to consolidate detailed information about a child, including recent photographs, so that the information is readily available, if it is ever needed.

A 24-page registry handbook is provided so that parents can fill out the appropriate pages with current photographs, health records, dental records, fingerprints and even a lock of the child's hair.

"We support this program 100 percent," said Eddie Fox, Mars Hill fire chief.

A parent who fills out the handbook properly can walk into any police station in the country and they will have everything they need to start the wheels in motion to find their child, Fox said.

Personnel representing the Mars Hill Fire Department will be calling on homes in their district to offer the program.

The program is in conjunction with the department's special fund-raiser. Each family that donates \$10 will receive the child registry handbook, an 8-by-10 family portrait and a 2-by-3 photograph for each child that appears in the family portrait.

Photographs will be taken at the Mars Hill Fire Department on May 16 and 17.

Rainbow Productions is the photographic company involved in the project.

Keith Sallee
...Governor's School student

Governor School Names 2

Brooke Barbee and Keith Sallee of North Buncombe High School have been chosen to attend the 1987 Governor's School in Academics.

Barbee is going to Governor's School West at Salem College in Winston-Salem in mathematics, and Sallee will attend St. Andrews Presbyterian College in Laurinburg.

Buncombe County received four positions in the academic area with North Buncombe High School students receiving two of the four nominations.

Civitan Honor 2 At Buncombe

Two seniors from North Buncombe High School have recently received outstanding citizen qualities awards from the Asheville Civitan Club.

The recipients are, Lori Claire Payne, daughter of Mr. and Mrs. Harold Payne and Robin Kevin Roberts, son of Mr. and Mrs. Orva Lee Roberts, who represented North Buncombe High School at a Civitan Club Luncheon on May 5.

The two were elected to the position of outstanding citizenship qualities by the senior class and represented the school at the luncheon.

Mars Hill Student Wins Vocal Award

William Scott Davis, son of Mr. and Mrs. William E. Davis Jr. of Stanley, has won first place in the Charlotte Choral Society Vocal Awards competition held on March 10 in Shalom Hall of the Myers Park Baptist Church of Charlotte.

Scott is a former student of Catherine Painter, choral director at East Gaston High School, and presently studies with Dr. Joel Reed of Mars Hill College where he is a sophomore music major. The scholarship paid \$500.

On the Mars Hill campus, Scott is proving himself musically, having performed the role of Oliver Hix in

the college's fall production of "The Music Man."

In April he will sing the leading role of Figaro in the Mozart opera "The Marriage of Figaro."

He is a recipient of the Emma Lancaster Trodgon Scholarship, awarded by the college to an outstanding and deserving student.

While in high school, Scott was winner of the North Carolina Honors Chorus two years, and soloist with the chorus one of those years.

He attended the Gaston County Choral Festival three years, performing as soloist one year. He was featured soloist two years with the

Gaston County Choral Ensemble.

Upon graduation from high school he was winner of the Paul Fueller Jones Jr. Music scholarship, awarded by the First Baptist Church of Mount Holly. He received the "Most Outstanding Senior Award" and was elected soloist for his high school graduation exercises.

If you can't decide between our biggest lawn and garden tractor and our smallest diesel, get both in one.

It's not always easy deciding between our 420 Lawn and Garden Tractor and our 650 Compact Utility Diesel. After all, there's a lot to be said for both. The 420 delivers a great deal of power in a versatile, highly maneuverable package. But the 650 offers diesel economy, along with the capacity and clearance for heavier assignments.

This year, however, your choice is simpler. Because John Deere has a 20-hp tractor that combines many of the best features of both. The John Deere 430 Diesel.

Like the 650, the 430 features a liquid-cooled diesel engine for long life and maximum fuel economy. And like the 420, the 430 offers the convenience of power steering and hydrostatic drive. Optional equipment includes a Category "0" 3-point hitch and 2,000-rpm rear PTO.

Because the 430 has individual self-energizing brakes and a tight 36-inch turning radius, you don't have to sacrifice maneuverability to take advantage of diesel efficiency. No matter which model you buy, you really can't go wrong. They're all built to live up to the John Deere reputation for quality. And they'll probably still be running years from now, when most lesser brands have quit.
