Hawks Look Toward Enka After Season-Opening Loss

By MICHELLE WYATT Sports Correspondent

North Buncombe's Black Hawks are dusting themselves off after last week's season-opening loss to Madison High School and are now gearing up for Friday night's game against Enka.

The Black Hawks found themselves on the short end of a 7-3 score when they traveled to Madison to meet the rival Patriots, but are hoping to bounce back against the Jets.

North Buncombe Coach Tom Weaver blamed the loss on offensive miscues. The Black Hawks lost three fumbles -- including a costly fumble near the end of the game - and were penalized for a total of 70 yards.

Although the 7-3 victory was not especially pretty, for Madison Coach Woody Ammons it was still sweet.

"We played hard, but sloppy. Every aspect of the game needs improvement," Ammons said.

'Our game plan was to work harder than North Buncombe. We did, and we won," he said.

Madison grabbed the win on a 10-yard pass from quarterback Brian Godfrey, who hit Tony Rogers for the touchdown early in the game's final

Kicker Gary Mace booted through the extra point, giving Madison a 7-3 lead with 9:32 remaining in the game.

"It was great," Rogers said about scoring the only touchdown of the game. "But I couldn't have done it without my buddies."

It was then up to the Madison defense and a little bit of luck to seal the win for the Patriots.

The Black Hawks were driving deep into Patriot territory late in the game and were within striking distance when they lost one of three fumbles on the evening.

The Patriots recovered the ball on their own 20-yard line with just 2:38 left in the game, and were able to hold on for the win.

Godfrey, a defensive standout last year but in his first game as quarterback, completed two of 12 pass attempts for 34 yards and the TD.
