Families that Pray Together — Stay Together!

What Do You See?

The banquet meal was over and the people settled back to be entertained by the guest speaker. But instead of the usual opening funny story, he held up a large piece of white paper with a small black dot in its center.

"What do you see?" asked the speaker. And the large gathering answered almost in unison, "A black dot."

"What else?" he asked, pushing the paper. There was a long silence, then some mumbling about the black dot, and finally someone said it for the entire crowd: "Nothing, just a black dot."

Then the speaker reminded them, "But don't you see the WHITE PIECE OF PAPER?"

The Apostle Paul makes such a point: "...for a wide door for effective work has opened to me, and there are many adversaries." (I Cor. 16:9) Paul saw the WHITE PIECE OF PAPER. He saw the opportunities, a "wide door," he called it. But he also saw the "black dot," the many adversaries, the many problems. But he saw that on secondary. What he saw first was "the wide door."

The "wide door of 1988" is opened to us. God grant that we see the DOOR rather than the BLACK DOT!
