Townsen noon, so the conscience is ever locat ed at the meridian above the human heart, sending its searching rays in veal cash part to the other.

"ls it 17" That question is as old as the human race. Judas Iscariot wasn't the first person to ask it. It was a borsold his Benefactor. It was a part of the estechism of men long before ha "Is it I,"

How many of us today have to people are always glad to have an opportunity to her him.

Governor Locke Crig will address the county convention to be held at Lillington Saturday. His speeches meeting which will be held Friday.

One have payed false to him,—sold him, so to speak, to further our own interests? The price of a friend is not always thirty pieces of silver. It happened to be so in Judas' case. It may be a bit of power. It may be an idea which we promote as our own. It may be a thousand things. "Is it I?" we ask and, sifting through the veil of our inner consciousness, invariably, comes the answer, "Thou hast said." And the answer burn itself into the quick of our being Judas went off and hanged himself. Maybe we don't do that, but what is worse punishment than the consciousness of having played false to a friend?-Ralcigh Times.
