WARNING TO AUTOMOBILE SPEEDERS

streets of Dunn has not only become be. In the home it should never be very dangerous but is fast becoming forgotten, and if that were the case a great menace to the town. Notif would not be so generally forgotten elsewhere. Several years ago we person meetings of a good body of OUR TERMS:

Store the history of two words, and giving the history of two words, and giving the history of two words, and we have never forgotten it. For the benefit of those who are not as thoughtful as they should be in this upholding the laws, reckless automoments. particular, we reproduce the poem: bile driving still goes on in our

a great menace to the town. Notwithsteading the fact that there were
several meetings of a good body of
the best citizens of Dunn some weeks
ago that protested against lawlessness, and pledged their support to
the town officials and policemen in
upholding the laws, reckless automobile driving still goes on in our
midst every day.

The writer set on his porch Sunday afternoon and counted dozans
of big grown, intelligent looking
men speeding up and down South
Layton street at speeds all the
way from twenty to forty miles per
hour; among the number were several so-called (?) prominent citizens of
the town, and one very prominent
merchant, who if it is possible for
an old model Hupmobile to run
offity miles per hour, was running
just that fast. I took the names of
several as they would pass, also the
drivers I did not know, with the purnumbers of some of the cars, whose drivers I did not know, with the pur-UNITED STATES 3% PER CENT ose of turning same over to the officers of the town, but after thinking it eved decided that I would Price 100 pad interest Optio just make a simple appeal to the June 16, 1832—Due June just make a simple appeal to the citizens of this good town with a geths singing with equal faithfuliss. The membership of the church
most without exception, has been
sickened and moved to higher ideals
at a better things. Quite a number
persons have prefessed saving
this in Christ, and there are contraises at almost every service,

of the church, the others having been haptized prior to this services are held services will continue through next Sanday. Two services are held each day, one at ten o'clock in the morning, and the other at eight o'clock in the morning. And the other at eight o'clock in the great conflict that is going to do in the great conflict that is going to do in the great conflict that is going to do in the great conflict that is going to do in the great conflict that is going to do in the great conflict that is going to do in the great conflict that is going to do in the great conflict that is going to do in the great conflict that is going to manifested. Dr. Whorton has the great conflict that is going to manifested. One on in Banepe is problematical. One on in Banepe is problematical. One munity. Our understanding is the morning ht 9:30 o'clock, and the against German aggression, but the next day overgiting is meretain.

It is plain to see that Germany feels, and the other at 3 o'clock in the overlap well estimated that Ransia is to give this instinct very little more two just a Mills and the other at 8 o'clock in the own and factors, which is the problematical of the factors of the see that Germany feels.

It is head to belige that Ransia is to give this instinct very little more two just of the factors of the factors of the see that Germany feels.

It is head to belige that Ransia is to give this instinct very little more two just of the factors of the fact

see 'em pass whether you be unwit bug or a hooster of Wilson.

BOY SOPUES HOLD MEETING

OUR HEROES IN GRAY

Dear Editor:

Dum is a city. Or at any rate she has enough people, enough stores, enough improvements she has enough business, enough improvements and petture to you the foetsore Cenfederate soldier as, buttoning up in his faded gray jacket the parele which was to bear testimony to his people that know, also know the law the meeting.

BOY SOBJETS HOLD MEETING.

The Boy Scout organization of this would illustrate the strength and permanence of his love for us he compares it to that of a mother for several wars absent; but a very interesting desting was held. Scoutmaster H. 2. Prechan presided over the name will see the mother lack children of his fidelity. The fidelity was held, Scoutmaster H. 2. Prechan presided over the mame will see the mother lack for any of the comforts of life that

YOURS FOR THE **ASKING**

Youthful, slender lines-a graceful, willowy figure. Every woman seeks these priceless gifts. Yet 9 out of 10 fail to realize that a good figure is largely a matter of good corset boning The old-fashioned stay is unrelenting stiff and rigid. Modern boning youth giving Spirabone is the invention of genius. It moulds the youthful figure.

This boning distingushes La Resista from the ordinary

400,000 wise women wear Spiraboned corsets. The picture shows why. Just see the difference between yielding Spirabone

and the old-fashioned stay. See how Spirabone bends. Imagine the freedom it gives. All i he patented weave. You can only 'get Spira bone in one corset,

La Resista

La Resista corsets re-adjust the flesh, as an artist would re-draw his subject. They idealize. They perfect. And as for style? La Resista because of yielding grace; because of superb design, gives natural style. For every type of figure. Price \$3.50 to \$25.00. Purchase a pair of La Resista-Spairboned corsets. Breathe easier, be comfortable, retain
