

LOCAL

Marshall Warren is spending the day in Greensboro with friends. Mack Baggett, of Four Oaks, was here Saturday for a few hours. Miss Fisher, of Roseboro, spent Sunday here the guest of Miss Eva Cole. O. P. Shell, of Henderson, arrived Monday to spend a short time in the city. Mrs. H. H. McKay and daughter, Miss Iva, were in Fayetteville Tuesday shopping. A 10-lb girl was born October 25th, to Mr. and Mrs. J. N. Smith at their home one mile south of Dunn. Miss Ruby Godwin, daughter of Congressman Godwin, has been ill the past few days of influenza. The name of E. W. Norris, of Duke appeared in Monday's casualty list. He was reported missing in action. Miss Helen Forbes arrived Monday night and will spend some time with her sister, Mrs. John W. Thornton. Mack Jernigan, of Camp Bragg, Fayetteville, spent Sunday here with his brother, Dr. John A. Jernigan. Mrs. Nobles, of Groenville, arrived Tuesday afternoon to spend some time with her daughter, Mrs. Ed. Purdie. J. Lloyd Wade, manager of the Dunn Ins. & Realty Co. was in Washington and Baltimore this week on business. Private Colin C. Shaw, of Bunnlevel, was reported in Monday's casualty list. He was killed in action somewhere in France. James Pope, of Atlantic Christian College, Wilson, is spending the Thanksgiving holidays here with his parents, Mr. and Mrs. Willie M. Pope. Captain Anson Jackson, after spending a short furlough with friends here and in Sampson county, returned the latter part of the week to Camp Humphreys, Va. The White Way Theatre is open again and the usual crowd is enjoying the excellent pictures. The theatre was closed for several weeks on account of the influenza. Norwood Pope, who is a student at Wake Forest College, spent the weekend here with his parents, Mr. and Mrs. R. W. Pope. He was accompanied home by Mr. White, who visited friends here. Private Jake Hargrove, after spending several days here with relatives and friends, returned last week to Camp Dix, N. Y. where he has been stationed for the past several months. Before going to the army he was employed by the Parrish-Driver Co. The young men of the town will give a Thanksgiving dance tonight in the Fitzgerald Hall, complimentary to the visiting ladies of the town. A number of visitors are expected to be here and participate. Grady's orchestra of Rocky Mount will furnish music. John Henry Pope, Dr. R. L. Warren and O. P. Shell returned Tuesday morning from Georgia where they spent a week hunting. The trip was thoroughly enjoyed and much game was killed. Each of the above named gentlemen own interests in land in Georgia and are frequent visitors down there. John W. Fitzgerald returned Monday night from Richmond, Va. where he purchased a nice lot of mules and horses, for his father, T. L. Gerald. They have a nice line of stock on hand already and invite the public to come in and see before buying. Read ad in this issue if you are interested in buying stock, buggies or wagons. A message reached Dunn yesterday announcing the death of Frank Butts. He was a commissioned officer in the navy and died and was buried at sea. The message stated that he died of pneumonia Oct. 8th, and was buried at sea a few days later. He was well known in Dunn and Harnett county and was a frequent visitor here, coming to see his wife, a daughter of Mr. and Mrs. John Holland. A full account of his death will appear in next week's Dispatch. A number of the merchants of the town have begun the delivery of goods again. The cash and carry plan worked mighty well while it was in force, but it seems that some of the merchants were never satisfied with this system. It did not reduce the price of groceries, the prices remaining about the same with an upward trend, while the system was being tried, but the consumers did not buy quite as much. The cash and carry plan is a thing of the past now, however, so far as Dunn is concerned, and the people may again enjoy the privilege of ordering by phone and paying every thirty days. J. D. Phillips, whose home is about two miles west of Dunn, has decided to move to Florida and will leave the latter part of the week for his new home. He has purchased a home in Callahan, Fla. also a small truck farm near this town, which he will cultivate. Mr. Phillips is one of Harnett's most substantial farmers and is a man the county hates to lose as a citizen, and it is hoped that he will return to North Carolina again, after a brief stay in Florida, satisfied that ours is the best State in the Union, especially for those who were reared within its borders. Mr. Phillips has sold his personal property, but is holding on to his real estate.

L. H. Lee, Jr., was a business visitor in Richmond Tuesday. J. H. Campbell, of Bule's Creek, was a business visitor in Dunn yesterday. Mrs. James Farthing has accepted a position with the State Bank & Trust Company. Milton A. Matthews was reported in yesterday's casualty list. He was killed in action. Mr. and Mrs. Z. V. Snipes are away this week visiting relatives and friends in Richmond and other Virginia cities. E. E. Folk left Sunday for Charlotte, having been called there by the company he represents as traveling salesman. Several of the boys and girls of the various colleges of the State, are spending Thanksgiving at home with their parents. Misses Cleta and Whyima Naylor and Ammie, are recovering from an attack of influenza. They were quite ill for several days. Mr. and Mrs. Geo. F. Pope returned today from Camp Hancock, Ga. They went down Monday to see their son, Arthur, who is in camp there. I. E. Covington, left Monday morning for Laurinburg where he went to be present at the marriage of his brother, W. T. Covington, which took place there this week. Note the change in the ad of E. S. Jernigan in this issue. Mr. Jernigan sells for cash only and at the lowest margin possible. The prices quoted in his ad are attractive to those who like to buy on small margins. Miss Grace Holliday, who has been seriously ill of pneumonia, is reported better. She was first stricken with influenza, which developed into pneumonia. Her sisters, Jessie and Florence, are also recovering from influenza. Your attention is called to the ad of the Parrish-Driver Co. As this is to be a Christmas of Sensible Gifts they invite you to come to their store on Railroad Avenue and see their many beautiful instruments. They will be glad to demonstrate whether you buy or not. The many friends of J. Rufus Smith are glad to see him on the streets again after several weeks illness. He was first stricken with influenza and had a severe attack. He recovered sufficiently to be out, but suffered a relapse and had a severe attack of pneumonia. The following boys from the various camps in the country, are at home this week on short furloughs: Herbert and Dusham Taylor, Lawrence Russell, of Camp Meade, Md.; Byron B. H. of Camp Essie, Va.; Harper Holliday, of Eton College and Robert L. Denning, of Norfolk, Va. A letter from Raymond Gainey to his sister, Miss Lennie Gainey, states that he is now convalescing in a hospital in New York. While in France he was gassed and was sent back to recuperate. He is getting along all right and hopes to be able to come home within the next thirty days. Very little cotton is being sold on the Dunn market since the price went down. There are a number of farmers around Dunn who have not sold cotton yet, and only a few of them have sold their crop. They are determined to get a fair price for this year's crop and nothing less than thirty cents will interest them. A number of them are holding for thirty-five. E. D. Weeks, of Dunn route 6, was in the Dispatch office Monday. He left with us a goose egg which was one of five that had been laid recently by one of his geese. For a goose to lay at this season of the year is rather unusual and Mr. Weeks is extremely interested in the fowl that is guilty of making a precedent that it will be hard for others to live up to. He is watching expectantly to see what other stunts the goose will do before the year is gone. High Prince, son of Mr. and Mrs. Geo. E. Prince, arrived in Dunn this week from Miami, Fla. Hugh has been there for several months in training for an aviator. He entered the service last June and was sent to Boston, Mass., where he took a three-months course in the Massachusetts Institute of Technology. Upon completing his course there he was sent to Miami, Fla., arriving there Sept. 27, since which time he has been doing practical work as an aviator. In a few more days he would have completed his course and received a commission. He was ordered home a few days ago and is now in inactive service of that branch of the work. It is hardly probable that he will be called again for service. You attention is called to the ad in this issue of the Barnes & Holliday Co. This large furniture and hardware store will adopt the thirty-day system on December first and when credit is extended to any one payment will be expected the first of the following month. It takes a great deal more money to do business now than ever before and most of the goods merchants buy are cash, seldom do they get more than thirty days to pay for them, and more often goods are paid for before they are in the house. Unless a firm has unlimited capital it cannot do business now unless it collects its bills promptly, and the thirty-day system adopted by the above named firm is only a necessary step for a business that wishes to be successful and remain able to give its customers the best of service.

J. A. McLean, of Goldsboro, was a visitor in Dunn yesterday. Miss Lucile Howard is recovering from an attack of influenza. A. A. McDonald, of Lillington, was a business visitor in Dunn yesterday. Geo. K. Grantham, Representative from Harnett in the Legislature, brought to The Dispatch office this week several large specimens of turkeys, which he grew in his patch. They are on display in the office window and are well worth looking at. Mr. Grantham seems to be an expert in growing turkeys and potatoes and is successful when others fail. There will be a regular meeting of Palmyra Lodge No. 147 A. F. & A. M. in the lodge rooms next Tuesday evening at 7 o'clock. This will be the first meeting held in several weeks and a large attendance is requested. All meetings were cancelled when the epidemic of influenza was raging in Dunn and there has been no meeting of the lodge since early in October. Important business will come before the lodge and all master masons are urged to attend. JOHN JAMES TART DEAD. On Wednesday afternoon November 13, 1918, as the sun was completing its journey through the heavens, and burying itself beneath the Western hills, the Death Angel entered the home of Mr. John James Tart and claimed as its own the husband and father. Mr. Tart was ill for about one week and his death came unexpectedly. Mr. Tart was born in Johnston County June 11, 1885, making his stay on earth 33 years, 6 months, and 2 days. All was done that a loving wife, physicians, tender hearted brothers and sisters, father and mother, and kind friends could do, but God knew best and took him home with Him. Mr. Tart leaves to mourn his loss a devoted wife, one daughter five months old, five brothers: Ira, Laudie, Ernie, Thaddeus and Graddy; two sisters: Miss Hattie Tart, and Mrs. J. C. Brown, a father and mother, and a host of relatives and friends. Mr. Tart was married May 27, 1917, to Miss Lola Wilks, a daughter of Mr. and Mrs. W. J. Wilks, and to this union was born one daughter. He was a christian-hearted man. He was very prosperous and had made a good start in life. Mr. Tart was well known throughout Johnston, Sampson, Harnett and Cumberland counties. All that knew him knew no other than to love him. He never fretted at anything and always looked on the bright side of everything. The writer was talking with the deceased on the street, about two weeks before his death, and poor maimed beggar came along and presented his card for help, and he contributed so cheerfully that I was reminded of the passage of scripture: "That it is more blessed to give than to receive." On Thursday evening in the presence of a large crowd of relatives and friends who had gathered to pay their last tribute of love and respect to the dear one on earth, he was laid to rest in the Stony Run Cemetery to await the Resurrection Morn. It is hard to give up one we love so well, but we must not question God's Wisdom for He doeth all things well. May God help the bereaved ones to look to the great Comforter, and may they take Him with them thru life as a great physician and a healer of all troubles. A Precious one from us is gone, A voice we loved is stilled; A Place is vacant in our home Which never can be filled. A FRIEND. Plenty of exercise, fresh air, regular hours—is all the prescription you need to avoid influenza—unless through neglect or otherwise, a cold gets you. Then take—at once

CALL ON US FOR INSURANCE AND REAL ESTATE LOANS. Dunn Insurance & Realty Co.

CASCARA QUININE Standard cold remedy for 50 years—in tablet form—safe, sure, no opiates—dissolves in 3 days. Money back if it fails. The goodness here has a Red top with Mr. Hill's picture. At All Drug Stores. DIZZINESS IS ANNOYING. As many Dunn People Know Too Well When the kidneys are weak or disordered, they fall behind in filtering the blood poisons. As these poisons attack the nerves, the result is felt in spells of vertigo, just as drunkenness will make a man dizzy from the poisoning of alcohol. Dizziness, headache, backache and irregularity of the kidney secretions are all signs of weak or disordered kidneys and should not be neglected. Use Doan's Kidney Pills, the home-endorsed kidney remedy. Read this Dunn resident's statement: Mrs. Bettie Godwin, 310 S. Washington St., says: "I was in a miserable condition with my kidneys about two years ago. My back hurt terribly and would have to press my hands upon the small of it to ease the pain. I had little control over the action of my kidneys and often suffered from attacks of blurred sight and dizziness. I was nervous and all run down, too. One box of Doan's Kidney pills strengthened my back
