### COMPULSORY SCHOOL LAW

An Act to Provide for the Compulsory Attendance Upon the Public Schools of Children Between Certain Ages and to Regulate and Restrict the Employment of Children and to Provide for the Enforcement of the Provisions of this Act and of Chapter 83, Public Laws of 1912, and Chapter 477, Public Laws of 1909.

The General Assembly of North Carolina do enact:

Section 1. Every parent, guardian or other person in the State of North Carolina having charge or control of a child between the ages of eight and fourteen years shall cause such child to attend school continuously for a period equal to the time which the public school in the district in which the child resides shall be in session. The principal, superintendent, or teacher who is in charge of such school shall have the right to exercise the right to excuse the child from temporary attendance on account of sickness or distance of residence from the school, or other unavoidable cause which does not constitute truancy as defined by the State Board of Education.

Sec. 2. Any parent, guardian, or other person referred to in section 1 of this act, violating the provision of the aforesaid section, shall be guilty of a misdemeanor, and upon conviction shall be liable to a fine of not less than \$5 nor more than \$25, and upon failure or refusal to pay such fine the said parent, guardian, or other person shall be imprisoned not exceeding 30 days in the county jail.

Sec. 3. It shall be the duty of the State Board of Education to formulate such rules and regulations as may be necessary for the proper enforcement of the provisions of this act. Said board shall prescribe what shall constitute legitimate excuses for temporary non-attendance due to physical or mental inability to attend and under what circumstances teachers, principals, and superintendents may excuse pupils for non-attendance due to immediate demands of the farm or the home in certain seasons of the year in the several sections of the State. It shall be the duty of all school officials to carry out such instructions from the State Board of Education, and any school official failing to carry out such instructions shall be guilty of a misdemeanor. Provided, that section 1 of this act shall not be in force in any city or county that has a higher

compulsory attendance law now in force than that provided herein; but in any such case it shall be the duty of the State Board of Education to investigate the same and decide that such law now in force has a higher compulsory attendance feature than that provided by this act. Provided, that wherever any school is without adequate building or buildings for the proper enforcement of this act the county boards of education may be allowed not more than two years from July 1, 1919, to make full and ample provisions in every district.

Sec. 3. The county superintendent of public welfare or chief school attendance officer or transient officer provided for by law shall investigate and prosecute all violations of the provisions of section 1 of this act. Sec. 4. The State Superintendent of Public Instruction shall prepare such rules of procedure and furnish such blanks for teachers and other school officials as may be necessary for reporting each case of truancy or lack of attendance to the chief attendance officer referred to in section 3 hereof. Such rules shall provide, among other things, for a notification in writing to the person responsible for the non-attendance of any child, that the case is to be reported to the chief attendance officer of the county unless the law is immediately complied with. County boards of education and governing bodies of city schools shall have the right to appoint town or district attendance officers when deemed by them necessary, to assist in carrying out the provisions of sections 1, 2, 3 and 4 of this act, and the rules and instructions which may be promulgated by the State Superintendent of Public Instruction. But in every case in which it becomes necessary to prosecute for non-attendance the

case shall be referred to the chief attendance officer of the county for further action: Provided, that in towns or cities having special attendance officers paid out of town or city funds said officers shall have full authority to prosecute for violations of this act.

Sec. 5. No child under the ages of 14 years shall be employed, or permitted to work, in or about or in connection with any mill, factory, annery, workshop, manufacturing establishment, laundry, bakery, mercantile establishment, office, hotel, restaurant, barber shop, bootblack stand, public stable, garage, place of amusement, brickyard, lumber yard, or any messenger or delivery service, except in cases and under regulations prescribed by the commission hereinafter created: Provided, the employment in this section enumerated shall not be construed to include bona fide boys' and girls' canning clubs recognized by the Agricultural Department of this State; and such canning clubs are hereby expressly exempted from the provisions of this act.

Sec. 6a. It shall be the duty of the county boards of education of each county in the State of North Carolina to cause this act to be published in full in some newspaper published in the county if there is one, and if there be none, then in circular form and distributed over the county at least four weeks prior to the opening of the schools after the first day of July, 1919.

### SUPERIOR COURT IN SESSION HERE

Harnett Superior Court began its September term Monday with Judge George W. Connor of Wilson presiding, and Solicitor Walter D. Siler of Siler City looking after the interests of the State. The Grand Jury was called to order by Mr. E. A. Stewart, county clerk. After a very able and exhaustive charge to the Grand Jury by His Honor, the spirit of the court began.

Duby Roberts, a young man from near Coats, charged with rape, was found not guilty.

J. A. Branch, an old offender in the Recorder's Court, and who appealed from the sentence of the Recorder, had the sentence of the lower court affirmed.

Frank Norris, charged with an assault with a deadly weapon, was found guilty.

G. A. McLeelan, charged with murdering a man named John Wheeler near Duna three or four years ago, was found guilty of manslaughter and sentenced to jail for four months with privilege for the county commissioners to hire out.

The several cases against Robert H. Jones, notorious Lillington citizen, were all not pressed except one. Jones has eluded the officers of the law for several years, and the last report as to his whereabouts was that he had joined the army.

A divorce was granted Haywood Morgan from his wife, Healon Morgan.

John Campbell, accused of owning and keeping a vicious dog which was terrorizing some of his neighbors, was found not guilty of the charge.

Gus Kelly, charged with murdering another negro fifteen or sixteen years ago, became frightened at the majesty of the law and ran away. His bondsman, Mr. McLaughlin, is using every effort to locate the culprit.

O. L. Ellington, charged with assault, was fined \$50 and costs.

John Moore pleaded guilty to the charge of assault and was fined \$10 and costs by the court.

Tom McLean, charged with the murder of the negro preacher, Richard Marchison, was able to show and prove to the jury that his act was in self defense of his own life and was found not guilty.

Leslie Williams, a negro charged with attempted criminal assault on a white girl, was found not guilty.

A divorce was granted Willie Jones from his wife, Minnie Jones.

As the paper goes to press the trial of State against G. W. Partin is being tried. Partin is charged with burglary, he having been found in a house at night which was occupied.—Harnett County News.

### STOMACH TROUBLE

Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with butter, oil or grease, I would spit it up. I began to have regular sick headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were so good at all for my trouble. I heard

ONE CENT A DOSE

Wayne Co., N. C., April 15, 1916. Gentlemen: I purchased, last summer Nitra-germ for five acres crimson clover and two acres hairy vetch. I planted two acres clover that I did not use the Nitra-germ on and will say where I used the Nitra-germ my clover and vetch is just as fine as I could ask for, and where I did not use it, I have none at all. I consider your product all you claim for it, and expect to continue the use of same. My clover at this date is eight to ten inches high.

R. H. EDWARDS, Sheriff Wayne Co. Wayne Co., N. C., July 26, 1916. Gentlemen:

I used Nitra-germ last year for twenty-five acres vetch and crimson clover and will say I am highly pleased with results. I secured a perfect stand and consider it all you claim for it, and take pleasure in recommending it for growing clovers and vetch. I expect to continue use of same. With best wishes,

CHAS. LUTES, Pres' Ky. Horse & Mule Company.

Nitra-germ clover planted in your cotton alleys after the last working of cotton will be ready when the cotton is picked. It is excellent for grazing and hay and builds the soil. Nitra-germ vetch when planted with oats and rye makes the very best feed. It will double your yield and build your soil. Vetch stubble when turned under is equal to 700 lbs. of good grade fertilizer per acre. Nitra-germ alfalfa is sure of a good stand and 4 or 5 crops per year without cultivation. In planting this fall, inoculate your seed with Nitra-germ and be sure of it. It costs \$2.00 per acre delivered. For free book No. 38B address Nitra-germ, Savannah, Ga.

### WAYNE CO. FARMERS MAKE BIG YIELDS OF VETCH AND CLOVER

A good stand of vetch or clover is sometimes rather difficult to make. Sheriff R. H. Edwards of Wayne County and his fellow citizen Mr. Chas. Lutes, have solved the difficulty. The secret of their success as shown in their letters is interesting; as

Lillington High and Farm-Life School opened its doors for the season with exercises in the auditorium featured by an address by Judge Geo. W. Connor of Wilson, who is holding court here this week and next.

Exercises began with invocation by Rev. G. F. Kirkpatrick. Mr. Chas. Ross, chairman, introduced the school board to the patrons, students and new teachers. Mr. Ross then introduced Judge Connor as a leader in advocating the advancement of education in this State. The Judge was as appropriate indeed. He emphasized the importance of teaching students the prime essential of life work. Not because of the fact alone that work is honorable, but because work, honest work, makes the best manhood and womanhood. "Teach them to work, how to maintain life by their physical power," said the Judge, "and don't deprive them of this great advantage which the present and preceding generations knew little of."

Judge Connor was impressed with the interest manifested in the school by the people of this community. The opening of a school season is an interesting occasion, he said, because we know that in all other choos districts the same process of cultivating minds is going on.

Superintendent Blain dismissed the audience with the assurance that this season will mark an era of real progress in the school.—Harnett County News.

### MARRIED MONDAY MORNING.

On Sunday morning at 11 o'clock at the Presbyterian manse in Lillington, Mr. Carlton Moore and Miss Lorena Brown, both of Mainers, were married by Rev. G. F. Kirkpatrick. The bridal party came to Lillington by auto and the ceremony was performed while the couple sat in their car and no sooner had they been pronounced husband and wife than they motored away for Fayetteville and other points on a bridal tour. They will live near Mainers. The happy couple have many friends who wish for them all happiness.
