

THE K L HOWARD FARM

TO BE SOLD AT AUCTION

TUESDAY, SEPTEMBER 30th, at 11:00 A. M.

AN UNUSUAL EVENT. A NOTEWORTHY OCCURRENCE.

This fine farm subdivided into small tracts to be sold at Auction for the high dollar. Located on the west side of Black River, two miles from Dunn, on both sides of the Dunn-Fayetteville public road. The cleared land stumped and drained, good schools and churches near, and as fine land as you would wish to see. This is the greatest opportunity ever offered in this section to secure a fine farm at a less price than it will ever sell for again.

Words fail to do justice to the proposition. Must be seen to be appreciated. Remember it is to be sold at Auction. The buyer making the price. Liberal terms. A Big Free Barbecue dinner served to all who attend the sale and we want you to come help us eat it whether you buy or not. Good music by our own brass band, and the best one in the business. Don't forget the momentous day, **TUESDAY, SEPTEMBER 30**

SALE STARTS ON THE PREMISES AT 11:00 O'CLOCK TUESDAY MORNING SEPTEMBER 30th.

ALL OUT OF SORTS

Has Any Dear Person Ever Felt That Way?

Feel all out of sorts? Tired, Blue, Irritable, Nervous? Back feel lame and achy? Perhaps it's the story of disordered kidneys—

Bad blood circulating about; Uric acid poisoning the body. There's a way to feel right again. Stimulate the sluggish kidneys. Do it with Dean's Kidney Pills. Dean's are recommended by many Dunn people. Here's one case.

J. G. Gattis, 100 W. Edgerton St., says: "I suffered for a long time with my back and kidneys. I had lumbago and my back was so sore and painful I could just about keep going. When I stooped, I could hardly straighten up again and awful pains would catch me in my back. My kidneys acted irregularly and the secretions were scanty. I started using Dean's Kidney Pills, which I bought at Wilson & Lee's Drug Store and they did me good from the start. Before long, Dean's cured me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Dean's Kidney Pills—the name that Mr. Gattis had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

THE FORDSON TRACTOR

WILL DRIVE THE MULES FROM EVERY FARM IN THE OLD NORTH STATE

\$750 F. O. B. DEARBORN.

The mule is the poorest motor ever built. —the cost of mule labor is almost one-half the cost of operating expense of the average farm.

The Fordson will do the work of six to eight mules and saves your time and your money.

Fordson-izing is using motors instead of muscles, machine speed instead of the drooping gait of the tired man and beast.

Fordson on your tractor is your guarantee. It gives assurance and insurance against faulty workmanship and careless engineering methods, and is as

Efficient, Economical, Durable and Dependable as Henry Ford & Son can Make it.
