John M. Lee, of Rocky Mount, is here today to visit relatives. Mr. and Mrs. Paul Hood attended the circus in Wilson Tuesday. W. A. Gasque attended the automobile races in Dillon, S. C., last Thursday. Mrs. J. A. Pool returned this afternoon from Benson, where she had been visiting relatives. E. M. Thorpe, a partner of John H. Pope in his Georgia land deals, was here Wednesday en route to Richmond. Fire in the spinning department of the Geo. F. Pope Milling plant burned a small quantity of cotton Wednesday afternoon. Lewis Stephens has resigned his position with the Durham and Southern Railroad to become a member of the firm of Stephens-Howard Company. The Cannady-Tilghman tract of land, comprising 181 acres, and located about a mile from town, was sold this morning for an average of \$250 an acre. Miss Esther Godwin is rapidly recovering from the effects of a surgical operation in a Fayetteville hospital, according to reports received here this morning by relatives. Miss Ella Ennett, a sister of Mrs. George Gardner, is being treated in Rex Hospital, Raleigh. It was reported this morning that she was getting along nicely after a surgical operation. J. D. Barnes visited Fayetteville today. While there he purchased a new automobile in which he and "Robert" are going to loaf around Dunn until he has fully recovered his strength. Thomas S. Golden, pleasantly remembered here, is a visitor in Dunn. He represented a large insurance company in Dunn several years ago and later moved to Lumberton, which is now his headquarters. Owners of fancy work to be exhibited at the Dunn Fair are requested to send a list of all such articles to Mrs. W. E. Baldwin and Mrs. H. S. Freeman, who have charge of this department of the exposition. Chief of Police Faye is on the war path for 1919 taxes. Armed with a book of receipts he is invading the business houses all over town. Mayor J. W. Whitehead was the first to buy a receipt, calling to see the Chief on the first day the books were opened. The K. L. Howard tract of land along Black River was sold Tuesday at auction. It was cut into ten small farms, averaging about forty-five acres, and sold for an average of about \$200 an acre. Mr. Howard sold the property less than two months ago for \$50,000 to A. C. Barnes, G. M. Tilghman and Marvin Wade. Dr. W. E. Cullom, of Wake Forest College, and the first Baptist Church, will give a public service in the absence of Pastor Olive, Dr. Cullom is at the head of the Baptist "Seventy-Five Million Dollar" campaign in this State and expressed gratification over the progress of the work thus far. Mr. Rousseau will become a missionary for the Holiness Church. Mr. Rousseau has been in school at Falcon for the last six years, and is well known here. Mrs. Rousseau is a sister of Mrs. B. A. Rowland and Mrs. G. F. Taylor. Regular morning and evening services will be conducted at the Christian Church next Sunday by the pastor, Rev. Frederick F. Grim. Special music will be given during the morning service by Miss Agnes Spain, of Greenville, who is teaching music in the Dunn Graded School. The Woman's Missionary Society will meet in the Church at 4 o'clock Sunday afternoon. The Hood property at Cumberland Street and Wilson Avenue sold at auction this morning for \$12,460. W. E. Cannady, of Snow Hill, was the purchaser of the large residence on the corner and the vacant lot between it and the business buildings to the north. He will probably move to Dunn if his sale is confirmed by Ernest F. Young, present owner of the property. The Methodist Sunday School will observe next Sunday as promotion and rally day at the usual Sunday school hour. Rev. James M. Daniel, pastor, has extended an invitation to all former students and to the public generally to attend the special services here, to be arranged. Regular services will be conducted by the pastor both morning and evening. John Oliver West and Miss Etta Hargrove were married Tuesday morning at the home of the bride's parents, Mr. and Mrs. W. G. Hargrove, near Shady Grove. Mr. and Mrs. West left immediately after the ceremony principal of the graded schools. Mr. West is a son of Mr. and Mrs. H. H. West and a brother of E. C. West, of Dunn. Mr. and Mrs. Bradley Godwin have moved into their new bungalow at the corner of South Layton Avenue and Pearl Street. The bungalow is the finest and most attractive. It was built at a cost of approximately \$7,000. Mr. Godwin has recently acquired a new farm a few miles from town and will continue his farming activities while residing here. Members of the Wesley Bible Class of the Roseboro Methodist Church will be guests of the Wesley class at the Dunn Methodist Church Sunday morning. About twenty members are expected to come from Roseboro. D. H. Hoti, teacher, is trying to arrange to serve luncheon to the visitors in the church basement. Henry Herring, pleasantly remembered here as the first cashier of the State Bank and Trust Company, is teacher of the Roseboro class and will be among the visitors. The R. G. Taylor Company's economic sale began this week at the Yellow Front Store. Mr. Taylor is advising all of his customers to buy sparingly—for their real needs only—leaving a share of his bargains for the other folk who for so many years as Dunn has been a town. The sale will be in progress for several days, until the present stock is exhausted. Mr. Taylor says the next shipments he receives will have to be sold at a greatly advanced price.

Mrs. E. L. Cook is visiting relatives in Rocky Mount. Mrs. George T. Noel left Monday for Selma to visit relatives. John Paschal, of Durham, was a visitor to Dunn Wednesday. Mrs. J. E. Crockett attended the circus at Raleigh Wednesday. Mrs. Fox Pittman has accepted a position with the R. G. Taylor Company. Braxton Daggett and Alger Byrd were visitors in Four Oaks Wednesday night. J. Milton Tart left Wednesday for Richmond, Va., and other cities north on business. Paul Essell, of Norfolk, Va., spent a few days here this week with his mother, Mrs. J. D. Essell. Judge Otis Prentiss Shell will hold court at Lillington next week in the absence of the regular recorder. A number of Dunn people attended "Come Along," a musical comedy, at the LaFayette Theatre, in Fayetteville Wednesday night. The next regular meeting of the Philathea class of the First Baptist Church will be held Tuesday night at the home of Miss Minnie Guy. Charles H. Randall, of Norfolk, passed through Dunn yesterday en route to Falcon, where one of his children has been ill for several days. Dr. F. Smith, the venerable and beloved physician who made his home in Dunn a few years ago when he moved to Lillington, continues quite ill at the home of his daughter, Mrs. J. J. West, here. William R. Johnson, who has been employed in Keno for the last several months, was here Monday to visit his parents. He left Tuesday for Chapel Hill, where he has since entered the University of North Carolina. Miss Mary Warren left Tuesday for Louisville, Ky., where she is studying in the Southern Baptist Seminary. Miss Warren was teacher of the First Baptist Philathea class. She is succeeded in this work by Miss Janie Ipeck. Misses Reva and Pearl Jurnigan, Ethel Bailey, Madie Bell and Mrs. Virgie Warren, accompanied by former Mayor J. Walter Turnage, attended a show at Fayetteville Wednesday night. They made the trip in Mr. Turnage's car. Roy Bailey, who has been employed at Charlotte since he was mustered out of the army, has accepted a position with the Southern Bell Telephone Company as manager of the Red Springs and Maxton exchanges. He was here Monday en route to his new position. Mrs. N. A. Bell returned Monday from New Bern, where she had been visiting her daughter, Mrs. J. M. Waters, who is in a hospital here. Mrs. Waters recently underwent a surgical operation, but is recovering nicely, according to information brought home by her mother. Mr. and Mrs. Claud Gardner, whose home has been in Rocky Mount for the last two years, are here to visit Mrs. Gardner's mother, Mrs. M. J. Pittman, and Mr. Gardner's relatives. They will go from here to Asheville, where Mr. Gardner has accepted a position as a traveling salesman. J. Walter Turnage, former mayor of Dunn, who has been receiving attention at the hospital here, returned home Tuesday night as hale and as hearty as ever. Friends of Mr. Turnage already are speaking of running him for mayor again, and he seems to be in a not unresponsive mood. At any rate, he is as fit as a fiddle and his friends are confident that he will enter the race. Some folk are so obnoxious that they dislike to put even a policeman to trouble. A slightly intoxicated rural gentleman picked out policeman Hunt's front porch as a likely place to go to sleep Tuesday night and was found wrapped in slumber by the homing cop. He made no protest when placed under arrest. At City Hall he submitted the case, paid a fine and went his way rejecting that punishment was not more severe. Harnett County tax equalization met here Tuesday to hear complaints from property owners relative to valuations. The complaints were many, property in nearly every case having been doubled in valuation. This is true of every township in the county, according to F. Smith, Jr., who is a member of the board. Floyd H. Taylor and J. A. McLeod are the chief members of the board. All of them were here. Dunn's three drug stores yesterday mailed to the Treasury Department checks for the October collections from the war tax on soft drinks. The total was approximately \$200 for the month and is said to have been about the average sent each thirty days. This shows that imbibers of the non-choking cup in Dunn pay approximately \$2,400 annually toward defraying the cost of defeating the flum. It also shows that close to \$17,000 is spent here annually for soda fountain drinks, and this does not take into consideration the vast quantity of bottled drinks sold in grocery stores and restaurants.

Kenneth F. Howard and Louis Denning were Harnett County representatives at the Thirtieth Division Reunion in Greenville, S. C., this week. They made the trip by automobile. Before returning to Dunn they will visit several towns in the western part of North and South Carolina. Material for the new Free Will Baptist Church is being placed on the site at the corner of King Avenue and Cumberland Street. Active construction will begin immediately. Contractor Kennedy was here today arranging for quarters for his men. The building is to cost approximately \$20,000. A purse containing \$1,200 was lost last Saturday by Buck Jackson, who was here from his farm in Sampson County. Mr. Jackson left the purse on a desk in the lobby of a local bank. When he returned a moment later it was gone. All of the money except about \$25 in cash was in checks, payment upon which was stopped. Carey B. Taylor, managing editor of The Asheville Citizen, is in Cincinnati this week to report the world series base ball game between Chicago and Cincinnati. Carey was once sporting editor of the Raleigh Times and is still a member of the Base Ball Writers' Association. He was given the trip to the Queen City by his newspaper. Mrs. P. S. Cooper, the president, having resigned, Mrs. Clarence J. Smith was elected to fill the vacancy. Mrs. J. W. Whitehead was chosen vice-president. Mrs. Granville M. Tilghman, treasurer and Mrs. Charles Highsmith secretary. Mrs. Townsend, Mrs. Whitehead and Mrs. Tilghman were named a committee to complete the year's program. Mrs. J. W. Thornton, Mrs. J. E. Butler and Mrs. J. Lloyd Wade were named a committee to choose books for the club. The club's study for the year will be "Southern Literature." The club has done little organized work since the beginning of the war, although all of its eighteen members were active in war aid projects and in fighting the influenza epidemic which swept the county last winter. It is the oldest organization of its kind in Dunn, having been founded nine years ago. Ellis-Becker The following invitation has been issued: Mr. and Mrs. Kihlbert Becker request the honor of your presence at the marriage of their daughter, Helen Mary to Reverend John Aston Ellis, Tuesday evening, the twenty-first day of October at eight o'clock, Saint John's Church, Roanoke, Virginia. SPEAKS IN RALEIGH Miss Kathleen Mallory, corresponding secretary of our Southern Woman's Missionary Union, will be in Raleigh next Tuesday evening at 11 o'clock. Miss Mallory is an attractive speaker, full of the joy of service, and of love for the Master and a lost world. She will speak especially to the women in the interest of the 75 Million Campaign. Please try to hear her and ask all the women of your church to hear her. Dr. Truett will speak in Raleigh Tuesday afternoon so go in time to hear Miss Mallory and stay for Dr. Truett's message.
