

RECENT RAINS BOON TO TOBACCO CROP OF STATE (Harnett County News.) Fuquay Springs, June 12.—The recent good rains have brought out the tobacco crop considerably and it now looks as if there is going to be a bumper crop for a good crop are expected per crop of the weed made if there isn't. The Proctor-Holliday Company reports that their growth is better than last year. Corn, cotton and other crops are now looking fine and the business and have secured a lease

upon the Ballentine stores on Main street and have a big and full line of furniture, hardware, crockery, etc. This concern has and will be a valuable asset to the town and country hereabout, and will draw good trade that has heretofore been going to Raleigh and other cities in this vicinity to do their shopping.

The Cumberland Railway & Power Company has now completed the installation and erection of their big new power plant at this place and the town now enjoys electric lights and other conveniences incident to such an industry. The plant was completed and the lights turned on last Wednesday evening amid the applause and gratification of the citizens who have been waiting patiently for this particular event. Nothing will give the town and surrounding community more impetus to do bigger and better things than this very important asset. It is an addition to the town that can hardly be estimated from a business standpoint.

Mrs. Gladys Uphaw Jones, aged 25, wife of Barney Lee Jones of this place, died Saturday morning at 5:50 o'clock after an illness of only a few hours. She was the daughter of Mr. and Mrs. R. L. Uphaw, of Norfolk, both of whom were at her bedside. She leaves, besides her husband, an infant son, two sisters, Mrs. Roy Elliott of Philadelphia, and Miss Margaret Uphaw of Norfolk, and two brothers, Robert L. Uphaw of Savannah, and Midshipman Jack Uphaw of the U. S. Naval Academy at Annapolis. The interment took place in Forest Lawn cemetery Sunday afternoon at 4 o'clock.

Now She's The Happiest Woman—Always Ready For Fun and Work

She was just like hundreds of thousands of women—plain, neat, and clean. Her hands were red from the scrubbing board, her shoulders ached from bending over a wash tub. She had thousands of dollars worth of fine clothing.

Now she is bright, happy and sparkling. Her hands are white and soft, her shoulders are straight and confident looking. She seems years younger.

How did she do it? By washing in the easy Clean Day way. No more miserable days for her. She lets Clean Day Wash Soap do all the work.

Why, just imagine the ease of this. She takes the wash over night. In the morning she puts up a bar of Clean Day into the pail of water and lets it soak. The clothes are put in and stirred with a stick for ten minutes. She rinses, dries and dyes, and the whole washing is over for only a few cents. With no more scrubbing, she has a new bar of Clean Day Soap for her neighbor has scrubbed half the clothes.

Every woman can be as happy and contented as she is. Buy a bar of Clean Day Soap today. Use it every day. It will save you a lot of money and a lot of trouble. It will save you a lot of money and a lot of trouble.

Not too late to get Clean Day Soap from the soap store differently it works.

MRS. S. WOOD DIES (Harnett County News.) Mrs. Smithes Wood, of Apex, died Monday at Rex Hospital after an illness of several weeks. Her father was at

J. Joan Porter of Harnett county and her mother before marriage was Mrs. Partridge Smith of Wake county. She was buried Tuesday afternoon

Film Advertisers Campaign Washington, June 17.—The department of Agriculture is preparing a series of motion pictures and stereopticon slides for use in the "better farmer" campaign.

FORD
The Universal Car

March 3, 1920, the Ford Motor Co. advanced the prices of Ford cars because of the increased cost of production. No specific announcement was deemed necessary at the time, but it has developed that misrepresentations and misquotations of these advanced prices have been and are being given out. So to safeguard the public against the evils of misrepresentation, we herewith give the present prices:

RUNABOUT	\$550	with dual electric starting and lighting system	\$625
TOURING CAR	\$575	with dual electric starting and lighting system	\$650
COUPE	\$750	with dual electric starting and lighting system and demountable rims	\$820
SEDAN	\$875	with dual electric starting and lighting system and demountable rims	\$975
TRUCK CHASSIS		with solid tires and clincher rims	\$600

(With pneumatic tires and demountable rims \$840)

These prices are all f. o. b. Detroit.

Fordson Tractor \$850.00 f. o. b. Dearborn, Mich.
