THE "OLD RELIABLE" THEDFORD'S BLACK-DRAUGHT

White Haired Alabama Lady Says She Has Seen Medicines Come and Go But The "Old Reliable" Thedford's Black-Draught Came and Stayed.

Dutton, Ala.—I am recommending Thedford's Black-Draught to her friends and neighbors here. Mrs. T. J. Parke, a well-known Jackson County lady, said: "I am getting up in years; my head is pretty white. I have seen medicines and remedies come and go but the old reliable came and stayed. I am talking of Black-Draught, a liver medicine we have used for years—one that can be depended upon and one that will do the work. "Black-Draught will relieve indigestion and constipation if taken right, and I know for I tried it. It is the best thing I have ever found for the full, uncomfortable feeling after meals. Sour stomach and sick headache can be relieved by taking Black-Draught. It aids digestion, also assists the liver in throwing off impurities. I am glad to recommend Black-Draught, and do, to my friends and neighbors." Thedford's Black-Draught is a standard home-aid remedy with a record of over seventy years of successful use. Every one occasionally needs something to help cleanse the system of impurities. Try Black-Draught. Insist upon Thedford's, the genuine. At all druggists. G. 70

WHEREVER you have linoleum, conglom or oilcloth in your home, wash it with Valspar. You will be delighted with the result. The Valspar will not only brighten it up, but will make it last a great deal longer because it will take much of the surface wear and absolutely prevent the penetration of moisture.

And beware of this: Don't be led into using any ordinary varnish on linoleum. You must have the washable, water-proof varnish that will not turn white—Valspar!

tempting through carefully prepared propaganda "to stampede retailers and the public into renewed fetid demand" for clothing and thereby force prices higher. "The Department of Justice," said Fleg, "is fully advised of the several phases of this carefully planned campaign and it only remains to fix personal responsibility before applying the criminal provisions of the Lever Law."

You can make this surprising experiment in our store — The Test of the Two Violins

Violins differ subtly in tone! Test the New Edison Realism by that fact. This violin has a rich, mellow tone. We have an "Ave Maria" played by Albert Spalding with his Guarnerius. This famous violin has a brilliant, singing tone. We have a second "Ave Maria" played by Carl Plesch with his genuine Stradivarius. Come in and compare these two Re-CREATIONS—tone for tone. If the New Edison makes clear the distinction between the singing Guarnerius and the mellow Stradivarius, you know it has perfect realism for you.

The NEW EDISON "The Phonograph with a Soul"

Albert Spalding himself recently took part in a test of the New Edison's Realism, at New York City. He played in direct comparison with the Re-CREATOR of his performance by the New Edison, Mr. Henry Hadley, one of the jury of the three distinguished musicians who listened from behind a screen, said: "The Re-CREATOR matched Mr. Spalding's performance tone for tone." The New Edison is the only phonograph which has given this conclusive proof of its perfect realism. It has triumphed in 4,000 such comparison-tests.

PRICES! HALT! Since 1914, the total price-increase in the New Edison has been less than 10%. Mr. Edison has, personally, absorbed more than one-half of the increased cost of manufacture. He may not be able to do this much longer. Why now, if you want today's price, our Special Price will help you. It eliminates the increment over the months to come.
