Carolina. Upon leaving college he was engaged in newspaper work, becoming part owner and editor of the Tacoma, Wash., Daily News. In 1889 he was admitted to the bar of California and from 1897 until 1902 served as corporation counsel of San Francisco. In the latter year he was the Demo-cratic candidate for Governor of Cali-fornia, but was not elected. He re-ceived the party vote of the States Senator. Avpointed a member of the;

Sorne, Switzerland. In 1916 Mr. Lane headed the Am-erican delegates at a joint conference with High Commissioners from Mexi-co, as a result of which a protocol was signed at Atlantic City and Unit-ed States troops were withdrawn from that country. that country. When the United States entered the war in 1917, Secretary Lane in a number of public speeches ostlined the country's purposes and urged bu-shoes men to show "accrifices as worthy as those of the mon on their way to the trenches." In numerous addresses in behalf of the Liberty Loans he declared the defeat of the United States was "unthinkable" and that the government was determined to see war fought to a finish. When pusce came he devised plans for the employment of returning troops, urg-ed Congress to federalize the Ameri-emination of the foreign-born, aided in the reconstruction of France and other war-torn mations, and advoca-ted immediate pessage of a bill to give farms to soldiers. He was also settive in the Council for National De-fease and the American Red Cross. When the United States entered the

MOW PRINTERS GROW The kind of boy who makes a good printer is the sort who begins to losf around the print shop on preas days as soon as he starts to school. He is the boy who feels honored when he is told to bring in a bushes of fresh water, and he would trade his jack-kinfe and a tin whistle any day for the privilege of "kicking off" a hun-dred dodgers on the old foot press. By and-by, refusing to be chased off and stay chased, he is sweeping the floor moraings and running arrands, such as going to the stare after a left-handed monkey wrench or to the fracture device of the days be the
