

**Conquering Leprosy**, most deadly disease, is being conquered by the chaulmoogra oil. First successful at Honolulu, tried in Japan, which is now free of the disease. Dr. Yoshikawa, head of the hospital at Kyoto, Japan, says that it is so successful that in a few months the disease of the dis-

abled and cast away. It has nearly been exterminated. Do you know a leper? Do you know a leper's home? Do you know a leper's home? Do you know a leper's home?

**Your griddle does itself proud!**

YOU never turned a finer hot cake than the light, tender kind that Occo-nee-chee Flour makes. It makes your griddle perform as it never did before. Crisp, fluffy biscuits and waffles are so easy to bake with Occo-nee-chee Self-Rising Flour. You just mix it with water or milk, add shortening and your batter is ready for the griddle or oven.

No worry about measuring baking powder, salt or soda; they are already mixed with the flour in exactly the right proportions and cost less this way. Good baking is simply a matter of a good fire with Occo-nee-chee Flour.

Put Occo-nee-chee Flour on your next grocery order. It comes in the plump, well-filled sack with the Indian Head.
