Odd Fellows to Raleigh  
 A large delegation of Dunn Odd Fellows attended the District Meeting of their order held in Raleigh yesterday. Among those who went are M. A. Lee, E. Lee, M. Hargrove, Rev. J. J. Langston, Herman Parrish, Eugene Cole, L. H. Alphin, V. H. Massengill and N. C. Bethas.

Fuquay-Stewart  
 Coats, Dec. 25.—A quiet but pretty marriage was solemnized on Thursday, December 22nd, at three o'clock when Miss Gladys Louise Stewart, daughter of Mr. and Mrs. Thos. D. Stewart became the bride of Dr. Cecil Garner Fuquay.  
 The home was tastefully adorned with Christmas decorations, potted plants and ferns, making a pretty setting for the ceremony, which was performed by Rev. J. A. Campbell, pastor of the bride.

Before the ceremony Mr. A. E. Lynch sang "Because" accompanied by Mrs. Lynch.  
 At the first strains of Mendelssohn's wedding march, Little Geraldine Young, niece of the groom, entered bearing the ring in a white rose. Following her came the dame of honor, Mrs. T. E. Grimes, dressed in black satin with white trimmings,

carrying pink "Kilmarney" roses, and maid of honor, Miss Mary Stewart, sister of the bride, dressed in blue canton crepe with white trimmings carrying Kilmarney roses.  
 The groom was attended by his brother, Mr. J. B. Fuquay as best man. The bride dressed in a rich blue tulle gown with brown accessories to match, carrying a bouquet of bride's roses was given in marriage by her brother-in-law, Mr. G. I. Smith, Jr.  
 Immediately after the ceremony amid congratulations and showers of rice, they motored to Raleigh. From Raleigh they went to Florida and other southern points.

**FERTILIZER**

HOME MIXING MADE A SUCCESS

Use MEALYMONIA—Better for home mixing than cotton seed meal.

When you use meal you get your ammonia from only one source. When you use MEALYMONIA you get AMMONIA from three sources, Sulphate of Ammonia, Tobacco stems and cotton seed meal.

MEALYMONIA Analyzes as follows:  
 Phosphoric Acid ..... 1.00 Per Cent  
 AMMONIA ..... 7.00 Per Cent  
 Potash ..... 4.00 Per Cent

Nothing to injure the sacks, will keep like cotton seed meal. ONE TON of MEALYMONIA mixed with a TON of 18 per cent ACID PHOSPHATE will give two tons of fertilizer analyzing as follows:  
 Phosphoric Acid ..... 3.50 Per Cent  
 Ammonia ..... 3.50 Per Cent  
 Potash ..... 2.00 Per Cent

FOR SALE OR EXCHANGE BY N. B. LEE, DUNN, N. C.  
 MADE ONLY BY

**RESOLVE**

—to eat more and better bread during the coming year, and let that bread be Mity-Nice Bread, baked in the clean ovens of Pearce's Bakery.

—to buy Pearce's Bakery products when you want pastries, pies, cakes and such things.

—to buy at home those things produced and sold by home folks.

**PEARCE'S BAKERY**

is a home enterprise. But it is not for that reason alone that it deserves your patronage and good will. Being a home enterprise would mean nothing to you did it not produce goods as good or better than those shipped to our town from other bakers. Since, however, its products are as good, as pure, as wholesome as good baking and pure materials can make them, the fact that its a part of your community does mean much.

This bakery hopes to become one of the largest in North Carolina. Already, with the three months it has been in operation, its growth has far exceeded the expectations of its founder. For this we wish to thank those who have made this growth possible—the people of Dunn and the surrounding country.

During 1922 we expect a large growth. To realize this expectation we must continue to give you good service and good products. We assure you that we will do this.

Make 1922—  
**A HEALTHFUL AND A HAPPY YEAR**
