### Read What the Home Folks Say TO THE DEMOCRATIC VOTERS OF THE FOURTH JUDICIAL DISTRICT:

We, the undersigned Democrate and Citizens of Sanford and Lee County strongly resent the attack made on the patriotism and Solicitor of the District. As a matter of fact, Mr. Williams endesvored to enter the service, and was declined on account of a physical trouble which, at that time, rendered such service imposle. During the whole period of the war Mr. Williams was extermely active in war work; and his patriotism and loyalty would rever be questioned in his own community, and no such report would have been started except for extreme political necessity. He is a man of the highest type, one who has nothing in his life unworthy the support of those who demand the highest and most exacting standards of character and citizenship applied to those whom they select for office.

# Voters, Attention! REMEMBER

## THE -Primary, June 3rd

When war was declared I enlisted as a private in the 119th Infastry, 80th Division. I served you in the army for a period over two years, twelve months of which was spent in France, England and Belgium, and about six months of this time in the midst of actual fighting on the battlefields. I was promoted from time to time and when I received my discharge held a certificate of eligibility from the Army Candidates School at Langres, France-for a commission as Lieutenant. I am now a candidate for the Legislature.

When you vate for me you will be voting for: FIRST: A native son, born and raised in Harnett County.

SECOND: One who will have Harnett County's Inprost at heart only. THIRD: One who will do everything in his power to

reduce taxes.
FOURTH: An efficient and more economical form of

County Government.

If I represented you and Harnett County on the battlefields in one of the bloodiest wars the world has ever known for period of twelve months, am I not now fit to represent you in the Legislative halls of North Carolina for two months?

I ASK YOUR SUPPORT.

Respectfully.
