Sensational 14-Day Values in Men's and Boys' Clothing, Furnishings and Shoes

It isn't often that we quote anything as "sensational,"—so, when we do—just depend on it's being truly extraordinary. There is no "camouflage" about these values. Prices are not quoted merely for "effect." Every item is a desirable one. We do not gather a few small lots of merchandise and quote ridiculously low prices thereon, for the purpose of exciting crowds. We strive to do a legitimate way. Every item offered here is a desirable one, and we firmly believe that every price quoted is the lowest price quoted in North Carolina on merchandise equally good.
