

**Cases Against Fishermen Are Dismissed At Clinton**

**Magistrate Rules That State Cannot Regulate Fishing in Non-Navigable Streams**

The State of North Carolina has not the right to prohibit fishing in non-navigable streams owned by individuals, according to a magistrate's decision given Friday in the case of State against a large number of citizens of Dunn for whom warrants had been issued following the admission that they had fished in Black River and its tributaries since May 1 when the law which seeks to prevent such became effective.

The cases were tried before Magistrate Arch Jernigan and E. M. Whitford, of Sampson County, in Clinton, Guy and Parker and Clifford and Townsend, of Dunn, represented the defendants. Godwin and Williams represented the State.

The warrants were sworn out by a representative of the State Department of Fisheries two weeks ago. He had spent several days in this locality and had gathered much information relative to the activities of fishermen. He appeared to be confident that he would convict all for whom he had warrants and that they would be heavily fined.

**SAMPSON COUNTY WOMAN GETS PRISON PAROLE**

Having become totally blind in one eye, with the other one badly affected, Leona Larkin was paroled by the Governor yesterday for the balance of her term of nine years in the State Prison where she was sentenced from Sampson county for assault with a deadly weapon. Besides her impaired eyesight and the likelihood that she will become totally blind, she suffers with chronic Bright's disease.

The parole was granted by Governor Morrison upon the recommendation of the Superintendent of the State's Prison at whose instance she was examined by the prison physician.

**"DEEP C." GREEN'S SHOW PLEASURES DUKE FOLKS**

Duke, July 7.—The Friendly Club Minuet given by the Girl's Friendly Club, under the direction of "Deep C." Green, here last Monday and Tuesday nights was a success. About fifty girls were in the cast, many of them having never appeared on the stage. However, they acquitted themselves with ease and gracefulness.

The performance Monday night was given by the girls. The sweet girls being dressed as negroes. They were assisted by about forty young ladies in the chorus. The best song "The Old Time Religion" was sung. The girls were very well pulled off to perfection. Tuesday night, the performance

was given over to the boys, five of them staging a farce entitled, "The Conscripted," which proved to be very good. The first part of the Monday night's show was again given. Thursday night the show was given in Lillington.

**MISS NETTIE STARLING AND BILLY BROTHER, A. C. JR., RETURNED HOME MONDAY AFTER SPENDING SOME TIME IN DURHAM WITH THEIR SISTER.**

Miss Elizabeth Gaine, Cumberland Demonstration Agent met the Wade Club Girls at the school house Monday and gave a lesson on canning vegetables. Her demonstration was this time canning soup mixture and beans. The girls seem to be taking great interest in it and we are expecting good work to be done by them as Miss Gaine is a splendid agent. The club girls elected their officers as follows: Miss Mary McNeill, leader; Miss Nellie Lee, president; Miss Josephine Buck, vice-president and Miss Nettie Starling, secretary.

Mr. and Mrs. Hunter Smith of Dunn spent Saturday night and Sunday here with Mrs. Smith's sister.

Leonard Parker visited relatives in Dunn last week.

M. E. Starling was a business visitor in Fayetteville last Wednesday.

After the suggestion of Miss Claudia Maynard and Miss Nellie Bain of Class No. 6 of Wade Presbyterian Sunday school in which Mrs. L. E. Parker is teacher, the girls organized a real class and elected officers. The class will be opened each Sunday by different members of the class and we hope that they will by this step do good work.

We are sorry to say that lots of the men in the community were feeling most too good during the fourth. Boose and blackberries seem to be plentiful.

**STIRRING NEWS.**

**TRAIN LEAVES TRACK BUT NOBODY IS HURT**

Dunn, July 11.—Two coaches and Pullman of Atlantic Coast Line train number 83 were derailed and overturned about two miles north of here this afternoon about 4:30 when a track buckled. Strange to say there were no injuries of even a minor character although most of the passengers got a violent shaking up. The accident is thought to have been due to the buckling of a rail on account of the heat.

Immediately after the wreck many automobiles of strikers from Rocky Mount came out to see the accident but nothing took place to distinguish them from the hundreds of other persons who turned out to view the accident.

The baggage car and the one coach remaining on the track were utilized to take the passengers of the ill-fated cars to Petersburg where another car was added. The Pullman was replaced at Richmond.

About two hundred yards of track is said to have been torn up in the mishap and the wreck train was slow in arriving at the scene, but it is not thought that traffic will be delayed as the south bound track was uninjured.

**GOODRICH-MANN**

The wedding of Miss Rosa Mann, youngest daughter of Mr. and Mrs. Mansford Mann of Merry Oaks, and Rev. Arthur L. Goodrich of Beeson took place in this city Saturday at the home of the bride's brother, Mr. Leonard Mann, 125 South Person street. The ceremony was performed

by Rev. C. H. Cashwell, pastor of Wendell Baptist church.

The bride wore a traveling suit of blue with grey accessories. Immediately after the ceremony the bride and groom left for a short wedding trip after which they will be at home at Hollister, where the bridegroom is pastor of the Baptist church.

Mrs. Goodrich is a successful young teacher, having been educated at Meredith College and was last year principal of the school at Merry Oaks. Previously she had taught at Corinth and Bear Creek.

The bridegroom is a graduate of Wake Forest College, where he was one of the leaders in literary and debating activities having been on the editorial staff of both the college magazine and college paper, representing the college in inter-collegiate debates and at the recent commencement winning the coveted Ward medal for oratory.—News and Observer.

Henry C. Lee, who for two years was associated with W. C. Kaney in the plumbing and heating business here, has resumed business at the stand formerly occupied by his old concern. The new business is known as the Dunn Plumbing and Heating Company, with Mr. Lee as manager. An expert sanitary engineer will be employed to assist Mr. Lee in the new venture. The company's stock will arrive in a few days.

Since the arrival of the town's new pavements about town, L. U. Bizzell, asphalt furnace some very badly superintendent of the water department needed work is being done on the ment, is directing the repair work.

**Forty Inspectors Will Watch The Packing of Sandhill Peaches**

WHEN YOU buy a Sandhill Redskin peach this summer you can confidently proceed to eat it in the assurance that it is physically perfect. At every orchard the Fruit Growers' Association will have an inspector who will, without hesitation, throw out every peach that does not grade up fully to the United States Standard which specifies what Fancy No. 1 Redskin shall be.

You can say to your dealer to leave you a basket or a crate of Sandhill Redskins, and that label is a guarantee that they will be Sandhill Redskins which is a guarantee that they are the best peaches on earth.

For twenty-five years the Sandhill orchard men have been building up their product, and today they have a peach that goes to the world under its brand,

**THE SANDHILL REDSKIN**

And it insists that this brand designates the best peach that is made. The buyer is to be the judge.

ASK YOUR DEALER TO SHOW YOU A BASKET OF SANDHILL REDSKINS YOU DON'T HAVE TO BUY ANY IF YOU DON'T WANT THEM.

He can get a few crates of many by communicating with the Secretary.

**Fordson THE UNIVERSAL TRACTOR**

**\$395 F.O.B. DETROIT**

**Reduce Your Production Costs**

Farming, like every other business, must cut down the overhead.

It is not a question of being able to afford a Fordson; it is a question of being able to continue farming on the old too-costly basis.

The farmer's problem is not all a sales problem; it is also a production problem. He must cut down the cost of production.

The Fordson does more work at a lower cost and in less time than the old hand methods.

Let us give you the proof. Write, phone or call today.

**Firestone GUM-DIPPED CORDS and Their High Mileage Records**

**MOST MILES per DOLLAR**

The high mileage records of Firestone Cords continue to emphasize the fact that Firestone methods are different and better. These records, steadily increasing in number and in mileage totals, justify the Firestone contention that there is one best way to build tires.

Among the primary sources of Firestone extra mileage is double gum-dipping—the saturation of the cord plies in a vat of liquid gum—thus coating each cord and virtually eliminating internal heat and friction.

Another is Firestone air bag curing, with its 200 pound pressure, which places every cord accurately and equalizes the tension.

By blending the rubbers of different plantations and types, and by tempering it before mixing, Firestone men add still more mileage.

Many cord tires are good—few are better—Firestone users say one is best.

Those who have already experienced Firestone mileage, have stopped shopping and experimenting—they have made these cords standard equipment. Investigate your friends' success with Firestone Cords—and buy your next tire accordingly. Come in and get your share of extra mileage.
