## TO THE PUBLIC!

I want a sale for a two fold purpose. One to extend our trading radius. Second to give our regular trade and friends the sensational values which will outclass any sale ever attempted in N. C.

Friends and customers we are sure you will not confuse this sale with the many so-called sales. We know in turning our stock over to Mr. Murchison with his many years' experience as a sales expert will create many friends and customers to my store. A visit will convince all that this is the biggest opportunity we have ever offered the buying public of Dunn and vicinity. Mr. Murchison has the value in his hands and will go the limit in giving you real values we want you to share in this big sale as it means dollars \$ \$ saved for you. We are advertising the sale broad cast—Crowds will be here so we advise that you be among the first. The policy of this store will not be changed during this sale. We do exactly as we advertise.

Signed  
BUTLER BROTHERS.
