The Dispatch thanks Mr. B. E. Johnson for a nice watermelon which he brought to the office Monday morning. Mr. and Mrs. Henry Pope, Worth M. and S. E. Pope and Mrs. A. B. Harrell, returned Monday from Sevon Springs. Mrs. S. J. Norris is a patient in Good Hope hospital at Duke, where she was operated on last week for appendicitis. Mr. and Mrs. B. O. Townsend have returned from Marietta, where they visited Mr. Townsend's mother, Mrs. D. B. Oliver. Mrs. Sam Broughton and son, Thomas, left Tuesday to visit relatives in Suffolk and Ocean View, Va. and Edenton, N. C. Mr. and Mrs. Marvin Wade and family returned the latter part of the week from a motor trip through the western part of the State. J. Milton Tart, owner of the Quality Shop will leave tomorrow for New York, where he will purchase fall and winter goods for the shop. Rev. Mr. Mattox of the faculty of the Atlantic Christian College, Wilson, will preach at the Christian church Sunday morning and evening. O. P. Shell, member of the Harnett County Democratic Executive Committee, attended the meeting of the committee in Lillington Monday. Sam Fleishman, manager of the Fleishman Bros. Co. stores in Dunn, left Monday night for a trip to Washington, Baltimore and New York. Rev. T. J. O'Neal, who assisted Pastor Davis in a revival here during the last three weeks in July, will preach again at the Free Will Baptist church Sunday evening at 8 o'clock. Those who heard Mr. O'Neal during the revival will be glad of this opportunity to hear him again. The public is invited. A potato weighing four pounds and grown by N. T. Altman was brought to the Dispatch office this morning. It is a Porto Rico and picked from a 200-bushel crop grown on one acre of land. Mr. Altman sold some of these potatoes for \$2.50 a bushel. They have fallen now, however, to \$1 a bushel. Mr. Altman told us, too, that he has a hen that laid an egg weighing five ounces the other day. The Durham and Southern Railway baseball team played the Mason Stock Company team at Reams Park Friday afternoon and won 9 to 8, with Carl Wilson pitching for the railroaders and Bill Newberry catching. The railroad team is about the only grown-up nine Dunn possesses at this time. It was organized and equipped by Captain Sam Reams, general manager of the road. Officers of the Chamber of Commerce are expecting to see a large crowd of business men and other citizens of Dunn at the mass meeting to be held in Fraternal Hall tonight. Harriell L. Godwin and others who are interested in the promotion of

the several projects to be brought to the attention of the people will speak. Refreshments will be served and discussions on important matters will be held. Eugene T. Lee has accepted a position as acting secretary of the Harnett County Agricultural Fair Association to succeed T. L. Riddle who was obliged to give up the position because of the press of his duties as secretary of the Chamber of Commerce. Miss Ruth Westbrook has accepted the position as assistant secretary and has entered upon her duties. Active work of preparing for the coming fair is now under way and it is expected that this year's attraction will be the best yet attempted by the association. The General Utility Company is installing new oil engines in preparation of the cotton ginning season. Tremendous concrete piers are being made to hold the two engines, which weigh 38,000 pounds each. The company also will construct a concrete run-way from its gins to the big warehouse just north of the gin building. This runway will connect with both the first and second story platform of the warehouse. A motor truck will be used to carry bales of cotton from the gins to the warehouse. The entire vacant space on the west of the gin building, between it and the Durham and Southern railway siding, will be covered by a concrete platform. The Redpath Chautauqua comes to Dunn Wednesday with a three day and night program of fine music, excellent lectures and good plays. The amusement comes under the auspices of the American Legion whose members have given the company a large guarantee. The boys should make some money from the attractions since they all are good. Tickets to cover the guarantee have been allotted to the several members of the legion. Unless these tickets are sold, the boys will lose money. Wouldn't it be an awful slam on Dunn if its people would let its former service man lose on the first venture they had presented since they came home from the battlefields of France? You remember how you hip-hopped and hurrahed when Johnny came marching home—how proud and all that you were of him? Slipped him on his wound stripe and vowed you'd give him every gosh darned thing he'd ever ask for? Have you forgotten? Huh? Now, ain't you a helluva a fellow—haven't done a blame thing but raise Martha every time you heard of the bonus! To show that you are a regular fellow, reach down in the ole pocket and shell out the shekels necessary to buy a season ticket for

ed just as rapidly as possible as he did not want the shareholders of the association to wait for their money. He requests all who have not received their checks to call in the Bank of Washington and get same. Washington's Building and Loan Association are proving to be valuable assets to the community for evidences of their worth are to be seen all over the city. Mr. Jordan Declines Job As Commissioner Mr. J. W. Jordan of Dunn, county commissioner, renominated for a second term, and who would probably have acted as chairman of the incoming board, has expressed his desire to be relieved of the duties of commissioner and gives as his reason that pressure of his own private business interests demands so much of his time and attention that he cannot see his way clear to give the commissioner's job the time that should be given to it. His resignation will be placed before the executive committee which meets here Monday. Chairman H. L. Godwin is endeavoring to secure some competent man in Averaboro township to take Mr. Jordan's place on the board, the place of course being one that will be filled from that township.
