Secret Organizations For Law **Enforcement Condemned** By Sinclair

Favetieville, Aug. 29 .- Judge N. A. Sinclair in opening court in his home city this week dwelt at length in his charge to the grand jury on the unlawful practice by secret organisations of taking the law into their own Minds, going to the homes of citizeff and taking them out

He called medial sattention to the fact that the metices are natural to the second on of Novel line and the second of Novel line and the second of Novel line.

Members of the second of Novel line and the second of Novel line

on what they call the their acts belie their incanismi, They are as bad, he declared,

the German traitors during the world war, who sought to undermine the institutions of this country.

He thought there ought to law in North Carolina compelling every public school to teach the bill of rights. Every man in the land should, be conversant with the constitution, he said, and yet it is sur prising how few have read it.

The grand jury was instructed to take proper steps to see that a modern court house nad jail is provided in Curaberland county. He also ex plained that magistrates are required by law to make a monthly report, and that if they fall to do so, the grand jury cught to indict them.

WHITFIELD WINS IN MISSISSIPPI

Defeats Theodore G. Bilbo Hotly-Contested Guber-ntaerial Rabe

Jackson, Misa, Aug. 29. - H. L Whitfield, of Columbus, former pres ident of the Mississippi State College for Woman, will be the next governor of Missippi, the Jackson Daily Nows announced early tonight after it had tabulated the complete vote of yesterday's Democratic primary from 81 of the 82 counties in the state and had all but a few of the returns from the remaining ones. Nomination in the Democratic primary is equivalent to election.

The figures were:

Whitfield, 133,136; Theodore G. Bilbo, 117,851. The total unofficial vote accounted for was 250,487 as against the official vote of 247,807 cast for governor in the first primary August 8, The latter figure set new record for the state and it was regarded as certain that the official count of yesterday's returns would, contrary to all expectations exceed that total.

In Cumberland County

Will Be Constructed Immediately

Payetteville, Aug. 29. - Cumber and county's court house will be renodeled for use as offices and vaults and the construction of a third story to be used as the county jail, according to plana adopted by the board of county commissioners. These plans will be placed in the hands of a committee of commissioners with authority to proceed promptly with the remodelling of the present building and the construction of the additions.

The addition is to be built at the rear of the courthouse. The first by additional vaults for the keeping of county records. The second story story to be built over the entire structure will house the county prison-

The action of the commissioner is in response to a urgent need and an insistent demand for a new jail and improved court house facilities. There is much sentiment in the county in favor of the building of a new court house as well as a new jail, the two to be combined in one building on another site, but many citizens have opposed the large outlay necessary to earry out this plan. The decision of the commissioners is a compromis between these two views.
