LOCAL

Jesse M. Wilson, of Hamlet, was a Dunn business visitor yesterday.

Middling cotton is selling on the local market today at 27 1-2 cents the pound.

H. J. Parnell, of Wilson, spent a short while here on business Wednesday evening.

Secretary of State W. N. Everett, and Joseph Sawyer, both of Raleigh, were Dunn visitors Wednesday.

Mayor Elmer Matthews, of Clinton, was a Dunn visitor yesterday.

J. A. Carlyle, of Greensboro, was a Dunn visitor yesterday.

Superintendent W. S. Snipes of the local public schools will give school children a holiday Wednesday in order that they may attend the fair.

Mrs. C. C. Parker returned home this afternoon from the Pittman hospital, Fayetteville, where she underwent a slight operation ten days ago.

All exhibits for the fair must be placed by Monday night so that the entire plant may be in readiness for the grand opening Tuesday morning.

At the First Baptist church Rev. E. K. Johnson will preach Sunday morning on "Profitable Investments," and Sunday evening on "The Meaning of Marriage."

Virginia, 4-month-old daughter of Mr. and Mrs. Seth A. Coats, who live three miles north of Dunn, died yesterday morning. Interment was made this afternoon in the cemetery at Hodge's Chapel.

Persons having rooms for rent to Fair visitors next week should notify Ellis Goldstein, business manager, or F. Grover Britt, secretary of the Fair, advising them how many persons they can accommodate.

Mayor J. Lloyd Wade, as usual, will have charge of the ticket sales at the main entrance to the fair grounds this year. He will be assisted by Gene Lee and Ralph Keene. The familiar face of Marsh Morrow will be missing from the ticket window. Mr. Morrow moved from Dunn about two months ago to his new home in Georgia.

Earl Barefoot, manager of the Metropolitan opera house, has booked the motion picture showing of the Dempsey-Firpo prize fight and will show same in the opera house here Saturday evening, October 6. The picture has already been shown in many North Carolina towns and cities. No doubt many local fight fans will want to see this picture.

The Dunn football eleven will play the first game of the season Friday afternoon. The Buies Creek Academy eleven will oppose the local eleven. The game will be played at the fair grounds and will be one of the big features of the fair. Athletic Director J. Spratt Moore has gotten together an excellent team here and expects to give the visitors a stiff tight.

General Albert J. Bowley, commander of Fort Bragg, will be the guest of the Harnett County Fair Association when the fifth fair opens here Tuesday morning. General Bowley will make a short speech formally opening the fair and then will make a tour of the various exhibit halls and buildings. He will be accompanied to Dunn by several members of his staff.

W. C. Barefoot, who lives in Banner township, Johnston county, Tuesday purchased from J. R. Cannady a 7-room residence on South Wilson avenue. The dwelling is occupied at present by Policeman W. F. Nipper and family. Mr. Barefoot expects to move his family to Dunn as soon as Mr. Nipper can vacate the dwelling. He will move here in order to have advantage of the local schools.

N. B. Bass, superintendent of streets and sanitary officer, has asked The Dispatch to urge local business men to sweep out their places of business at night. When they wait until morning after the trash wagons have made their daily rounds the trash swept out on the streets and in the back lots remains there as an eyesore throughout the day. Co-operation in this respect would mean a cleaner town.

Jack Wade is suffering painful injuries received Sunday night when he was tripped by some flower boxes and fell out the door at his home on South Wilson avenue. His left arm was broken at the elbow and the bone of his nose was broken, while he suffered other painful bruises about the face. While the fall was only about four and a half feet, his nose struck a brick in the yard, and his weight broke the arm upon which he first caught.

Kenneth T. Miller, decorator, who has been engaged to decorate the streets and the buildings at the fair grounds, is here with his force and will begin stringing flags and buntings through the business district at once. He also will contract to decorate the fronts of stores and other business structures. A good example was set other business men by Tom Lee, Chinese laundryman, who was one of the first to order decorations which are designed to aid the community in creating the spirit of the fair. Practically every business building in town will be decorated by Saturday night, Mr. Miller says.

A letter received by Mrs. George E. Prince from her sister, Mrs. J. W. Frank, a missionary in Japan and who with her husband and small son were in the earthquake zone, stated that all members of the family escaped injury. They were living in Cotombo, a village near Yokohama, at the time of the earthquake. Mrs. Frank was cooking dinner on an oil stove at the time of the 'quake, and while the stove was badly upset, Mr. Frank succeeded in turning out the lights before there was any explosion.

Sam Thomas spent Wednesday in Richmond, Va., on business.

P. A. Apperson, an aged Yadkin county Confederate veteran, passed through Dunn Wednesday en route home from Wilmington. Mr. Apperson, who is now 82 years young, hale and hearty, was stationed around Wilmington for several months during the Civil War, and this was his first trip there since that time. He visited the old camping grounds, and of course the trip was full of interest to him. Mr. Apperson stated to a Dispatch reporter while here that he was First Sgt. Co. F, 28th Regiment of Lane's Brigade during the war.

Visited By Ku Kluxers

The Dispatch has been advised that the Cape Fear Ku Klux Klan visited James Henry Godwin, who lives near Falcon, on the night of October the 4th, presenting him with necessities of life, such as lard, flour, meat, sugar, coffee and shoes for children.

Nine years ago, in 1914, China exported $719 worth of hair nets. Last year the net makers, virtually all of whom are located in Chefoo, China, collected $3,319,322 for supplying this product. An even larger trade is expected during 1923, because American women have demonstrated a preference for a type of net made out of two hair strands, whereas before nets fabricated from single strands were the vogue.

WHAT IS THE KU KLUX KLAN?

1. This is a white man's organization, exalting the Caucasian race and teaching the doctrine of white supremacy. This does not mean that we are enemies of the colored race, but it does mean that we are organized to establish the solidarity and to realize the mission of the white race. All of Christian civilization depends upon the preservation and upbuilding of the white race, and it is the mission of the Ku Klux Klan to proclaim this doctrine.

2. This is a Gentile organization, and as such has as its mission the interpretation of the highest ideals of white, gentile peoples. We sing no hymns of hate against the Jew. He is interested in his own things and we are exercising the same privilege of banding our own kind together in order that we may realize the highest and best possible for ourselves. We grant the Jew the right to organize if he sees fit. We feel that as gentile we have the same right.
