NEW BUS TERMINAL.

Mr. J. M. Palmer, popularly known among his many friends as a mighty lime fellow, and to close associates as "Jim," has just completed a handsome new building to be used as a bus terminal or station for the Waynesville-Asheville and Waynesville-Jackson County Bus lines.

The building is constructed of brick, the interior is beautifully decorated and equipped with up-to-date furniture including rest benches, counter, desks, etc. It occupies about sixty feet in width and the parking space for the busses is about one-quarter of an acre. It is located on Main street, next the First National Bank.

Mr. Palmer, besides his many other business occupations, is tax collector for the town of Waynesville.

See us for Lawn Grass, Fertilizers and Seeds. Hyatt & Company.

ERROR CORRECTED.

In advertisement of Bell Telephone Company of last week the telephone rates were wrong. They should have been: Residence rate: Wall set 75c; desk set 75c; business rate, \$1.00 for wall or desk.

MISS EVELYN LEE TO WED MR. C. C. LEWIS, OF WEST VA.

Mr. and Mrs. William Thomas Lee, of Waynesville and Raleigh, announce the engagement of their daughter, Evelyn, to Mr. Charles Cameron Lewis, the wedding to take place March 24.

Miss Lee is the daughter of Mr. W. T. Lee, chairman of the Corporation Commission, and Mrs. Lee and is well known herself throughout North Carolina, having been connected with the State department of Fire Insurance for a number of years with an itinerary throughout the State.

Mr. Lewis is a prominent business man of Charleston, West Virginia, being a member of the firm of Lewis, Hubbard and Company.

MRS. MCKEE HONORED MONDAY.

Those enjoying Miss Quinlan's hospitality besides the honor guest, were: Mrs. Charles Quinlan, Mrs. Lenoir Gwynn, Mrs. Rufus Siler and Miss Fredericka Quinlan.

VALENTINE BRIDGE AND ROOK PARTY FRIDAY.

Misses Elizabeth Smathers and Wilda Crawford were joint hostesses to a Valentine bridge and rook party at the home of the former on Branner avenue Friday afternoon. The lower floor was thrown aside for the occasion and was attractively decorated with baskets of red flowers and Valentines. The color motif of red and white was further carried out in the ice cream which was served at the conclusion of the game.

Those enjoying Miss Quinlan's hospitality besides the honor guest, were: Mrs. Charles Quinlan, Mrs. Lenoir Gwynn, Mrs. Rufus Siler and Miss Fredericka Quinlan.

THE FOREST SITUATION OF HAYWOOD COUNTY.

(Continued on another page.)

large part of the county is in National Forest land which is protected by the United States Forest Service. And that this appropriation is justified is unquestionable proven by the fire record of the two counties for 1925.

Appropriation for \$400, No. fires 80, area burned 16,867 acres, damage \$192,773.

Appropriation for Buncombe \$1,000, No. fires 46, area burned 4,050 acres, damage \$7,558.

Thus by spending \$1,000 in fire prevention Buncombe county kept her losses down to \$7,558, while Haywood spent only \$400 and lost \$192,773 in forest fires. The appropriations in both cases were matched by an equal amount of State funds.

The North Carolina department of conservation, under which department the funds are expended stands ready to match any county appropriation and to use the co-operative funds in providing the maximum amount of protection from forest fires.

PRESENTATION LAKE JUNALUSKA PLANNED TO GENERAL BODY.

(Continued from another page.)

of children during the summer. Many of the social functions held during the season have their origin in the programs of the Junaluska Women's Club. Sports of all kinds are encouraged, with necessary equipment provided for the enjoyment of water sports, golf, tennis, hiking, horseback riding and baseball.

Modern conveniences of all kinds have been installed so as to provide for creature comforts. Electric lights, a piped water supply and sewer facilities have been installed throughout the grounds.

Duke Summer School.

A feature of the coming summer program will be the summer school to be conducted by Duke University during 1926. It is believed that the courses offered will attract many students as the splendid climatic conditions are conducive to the successful accomplishment of much good work while at the same time taking full advantage of the recreational facilities offered.

Through the construction of two large new buildings at the lake, additional facilities for caring for the added number of visitors each year have been well provided for. Private homes are continually springing upon all parts of the lake frontage property and adjacent territory, so that a community of home owners is a feature of the annual gathering.

In addition to the regular conference, there is planned this coming season a conference of the Y. W. C. A. and the W. C. T. U. which will attract large numbers of delegates, it is believed.

Several large hotels and a number of modern boarding houses offer, in addition to dormitories, facilities for carrying for the immense crowds that make their summer pilgrimage to Junaluska.

Those who take up permanent residence in the assembly grounds, as many do, are finding that the new township school system offers splendid instruction for their children. There is a new seven-room brick structure, just on the border of the assembly property, with large auditorium, while those desiring high school training are accommodated at the new Waynesville building to and from which transportation is provided by a school bus system.

From the standpoint of accessibility, the assembly is well located, being on a branch of the Southern Railway and served also by the Appalachian Scenic Highway of which the association is a member. The highway lay from Asheville to Junaluska is paved practically throughout, affording an easy motor ride through some of the most enjoyable scenery of the entire region.

The Assembly also has active membership in the Asheville Chamber of Commerce and the Waynesville Chamber of Commerce, and in both communities numbers countless friends and staunch supporters.

Speakers of national and international note are numbered upon the programs each summer, so that those attending are assured of the best talent to be had upon the lecture platform. A huge open air auditorium at the lakeside affords an enjoyable gathering place where the gracing effects of outdoor life can be coupled with the stimulation received from hearing programs of exceptional merit directed along various educational and religious lines.

Officers of the Asseby are J. R. Pepper, of Memphis, president; H. J. Sloan, of Waynesville, vice president; and J. Dale Stentz, Lake Junaluska, secretary and treasurer.

RUPTURE SHIELD EXPERT HERE.

E. J. Meinhardt, the well known Expert from Chicago, will personally be at Vanderbilt Hotel, Asheville, North Car., on Thursday, Feb. 25th, from 9:00 A. M. to 6:00 P. M. and at the Cleveland Hotel, Spartanburg, South Car., on Friday, Feb. 26th, from 9:00 A. M. to 6:00 P. M.

Mr. Meinhardt says "The Vacuum Rupture Shield" will not only hold the rupture perfectly, but will contract the opening in thirty days on the average case—usually giving instantaneous relief withstanding all strain regardless of the size and location of

the Rupture. WARNING: Do not expose yourself to the danger of wearing old-style trusses with understraps. These trusses usually place the pad on the lump and not on the rupture opening. This often causes strangulation which usually necessitates an immediate surgical operation or results in sudden death. "The Vacuum Rupture Shield" has no understraps, no straps around the body or legs. It is also perfectly sanitary and practically indestructible, and should be worn while bathing. Only gentlemen are invited to call at this time as a special visit will be made here later for women and children. Notice: "The Vacuum Rupture Shield" can not be fitted by mail. Every case must be seen personally. Please note the above dates and hours carefully. Strictly no charge for demonstration. Address all correspondence to E. J. Meinhardt Co., Whitehall, Michigan.
