#### STOP RECKLESS DRIVING.

Motor accidents and compulsory  
automobile liability insurance, "as an  
evil that must be remedied," were  
discussed by Edward C. Stone, as-  
sociate United States manager of the  
Employers Liability Company.

He noted the rather curious fact  
that those chiefly in favor of compul-  
sory liability were not so much in-  
terested in reducing and preventing  
accidents, as in securing some way  
to assure pecuniary damages to those  
injured by automobiles—in other  
words they would guarantee solvency  
of all defendants.

Mr. Stone favors action to stop  
irresponsible reckless drivers from  
operating automobiles—which would  
remove the chief reason for compul-  
sory automobile accident liability in-  
surance. Is this not more fair than  
taxing all drivers for the damages  
resulting from the recklessness and  
carelessness of a small percentage?

#### DON'T KILL THE BIRDS.

Department of Agriculture esti-  
mates give 75 billion as the probable  
number of birds in the world, about  
40 times the number of people. They  
estimate five billion birds in the  
United States alone.

Birds are mankind's friends. Prac-  
tically every bird is a costless, auto-  
matic self-perpetuating bug-and-  
worm-killer, without whose aid the  
country would soon swarm with in-  
sect plagues like those of Egypt in  
the times of Pharaoh.

It is perhaps good business for the  
nation that gun and ammunition  
prices are so high that comparatively  
few people can buy them for bird-  
killing. There was a time when the  
household shotgun was desirable,  
even necessary to fill the family lar-  
ger; now the kitchen table is supplied  
best, by the absence of the means to  
kill the birds that save the crops.

#### SINGING CONVENTION.

The Haywood County Singing Con-  
vention will hold its next singing  
meet on the second Sunday in March  
which will be the first meeting of  
the new year. All classes and choirs  
that are expecting to participate in  
the singing on that date are re-  
quested to notify the secretary be-  
fore that date so that we can ar-  
range a program for the day.

We are expecting something new,  
that will be of great interest to the  
people of the county.

Our new president, Mr. Chas. Nel-  
son, has got something up his  
sleeve for the convention. So let  
everybody come and enjoy a good  
day of singing and song feast.

MARK B. SMITH,

Secretary.

#### BILIOUS ATTACKS

From Which Kentucky Man Suf-  
fered Two or Three Times a  
Month, Relieved by  
Black-Draught.

Lawrenceburg, Ky.—Mr. J. P.  
Nevins, a local coal dealer and far-  
mer, about two years ago learned  
of the value of Thedford's Black-  
Draught liver medicine, and now  
he says:

"Until then I suffered with se-  
vere bilious attacks that came on  
two or three times each month. I  
would get nauseated, I would  
have dizziness and couldn't work.

"I would take pills until I was  
worn-out with them. I didn't seem  
to get relief. After taking the pills  
my bowels would act a couple of  
times faster, then I would be very  
constipated."

"A bottle of Thedford's Black-  
Draught and I began to feel better. I  
never have found so much relief  
as it gave me. I would not be  
without it for anything."

"I tried to cleanse my whole  
system and make me feel like new.  
I could take a few doses—say, of  
it in the forenoon and have my bowels  
clear. I felt full of life and could  
enjoy the work."

When twins are announced by a  
neighbor you might as well act nat-  
ural and laugh.

#### New Way to Stop Night Coughing

Simple Method Brings  
Quick Relief

For almost instant relief from hack-  
ing, irritating, sleep-robbing night  
coughing there is a very simple treat-  
ment which, often with a single dose,  
stops all irritation and permits sound  
sleep the whole night through.

This treatment is based on the pre-  
scription known as Dr. King's New  
Discovery for Coughs. You simply take  
one teaspoonful at bed-time and hold  
it in the throat for 15 or 20 seconds  
before swallowing it. The prescription  
has a double action. It not only soothes  
and heals soreness and irritation, but it  
quickly removes the phlegm and con-  
gestion which are the real cause of  
night coughing. People who have not  
slept well for nights are often surprised  
how quickly this simple method checks  
coughing and banishes the entire  
cough condition completely.

Dr. King's New Discovery is for  
cough, chest colds, sore throat, hoar-  
seness, bronchitis, spasmodic croup, etc.  
Fine for children as well as grown-  
ups—no harmful drugs. Economical,  
too, as the dose is only one teaspoon-  
ful. At all good druggists. Ask for
