

## MINSTREL SHOW!

Negro Minstrel at the Waynesville Elementary school building, next Thursday night, March 11, at eight o'clock. Be sure to come to see Rastus and Lisa get married, to see Sambo, the porter on the Sannook special strut his stuff, and Oh! I for-

got, see the wonderful conies do the Charleston and clog dance. Come and enjoy a "rambunctious" night in "darkland." It will be worth much more than the admission, fifteen and twenty-five cents. Come and support your school; help to "educate" your "chil-lun."

## February!

### Greatest Month in Nash History and Greatest Ajax Six Month

Swiftly soaring nation-wide Nash sales swept February—although the shortest month of the year—into high position as—

—the biggest single month of production on Nash cars, alone, in the entire history of the company.

And Ajax Six sales racing on ahead pushed February Ajax business far beyond the biggest previous month since this brilliant new Nash-built success was introduced.

And the reason for this record-breaking Nash-Ajax success is just this—record-breaking **QUALITY** plus record-breaking **VALUE**.

## CLYDE CULLINGS.

The Bell Motor Co. has commenced the erection of a filling station at the crossing of Main street and the State Highway and when completed will be one of the best in the county. Automobile accessories, oil, gas and free air will be kept at all times for the traveling public.

Mr. F. E. Haynes has an office in the bank building where he is doing a real estate business. Any one either wanting to buy or sell real estate in Clyde or vicinity should first consult Mr. Haynes who is a splendid business man.

Mr. Marvin Carswell and Miss Pearl Duckett of Canton were quietly married last Sunday afternoon at the home of Mr. and Mrs. W. G. Ford. Dr. S. B. Medford officiating.

Mr. DeVoe Medford has been granted license by the Conservative Life Insurance Co., of Richmond, Va., to write insurance. More people, especially young men, should carry insurance and should confer with Mr. Medford before taking out a policy.

Several months ago Clyde organized a fire department by electing E. G. Brooks as chief. Twelve young men were selected to serve with him and our fire department has already rendered very valuable service. A water wagon, hose and other requisites for fighting fire have been bought. Three weeks ago our good women served supper in the drugstore for the purpose of securing funds with which to enlarge the fire department building on Depot street. The receipts of the evening amounted to \$35.00. Next Saturday evening from six to ten o'clock a very fine supper will be served in the Clyde Pharmacy building for the same purpose. Not only every man and woman in the town, but a number from the community should attend and assist in this very important undertaking. At two o'clock last Thursday night, Dr. Medford's large coal and wood house caught fire and was in flames when first seen. The fire department was soon present with water wagon and hose and in less than five minutes had the destructive flames extinguished and thus saved nearby buildings. Clyde's citizenship appreciates our water system more now than ever before and our fire force is indeed a splendid one.

About three weeks ago Mr. Prevost of Hazelwood and George H. Ward of Waynesville attended a meeting here of Clyde citizens and discussed the benefits and workings of a building and loan association. At a meeting last Friday evening the following directors were elected: F. E. Haynes, DeWitt West, J. M. Anderson, Jno. W. Shook, T. S. Ensley, Edwin Fincher and Dr. S. B. Medford. Last Monday evening the directors met and perfected the organization by electing DeWitt West, President; J. M. Anderson, Vice President; T. H. Haynes, Secretary-Treasurer and George H. Ward of Waynesville, attorney. The name adopted for the association is Clyde Building and Loan Association. A committee was appointed to submit for adoption next Monday evening a constitution and by-laws and secure a charter from the State by April 1st when it is hoped the association will begin to function. Quite a number have already taken shares and other will subscribe during the next three weeks after which more can take shares during the next six months. This organization is already very strong and safe and will grow stronger from time to time. It means more for the building of Clyde and vicinity than anything we have hitherto had.

Rev. J. M. Haynes, 77, occupied the Baptist pulpit last Sunday at both the morning and evening service. His text Sunday morning was taken from Hebrews 13:6. "The Lord is my helper." Prof. R. A. Sentelle, 79, one of Haywood Institute's efficient teachers, is the only preacher in Haywood county older than Mr. Haynes. About 2,500 have been converted under Mr. Haynes' ministry of 40 years in five counties and he has baptized more than 1,000 people, twelve of whom became preachers. He has many times rendered valuable assistance in revival meetings conducted by other denominations and has officiated at many marriages. It is hoped that he will yet live many years and continue to be a blessing not only to his own community, but to other communities here and elsewhere. When his end shall finally come, we can truthfully say with the Apostle Paul, "I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day."
