Bad Color (liver trouble)

"OCCASIONALLY I am troubled with spells of constipation and inactive liver," says Mrs. John L. Pence, Broadway, Va. "I always use Thedford's Black-Draught when I feel a spell of this kind coming on, for it saves me a bad headache. My color gets sallow at times. I get real yellow, showing that the trouble comes from the liver.
 "I have found Black-Draught to be the finest kind of a remedy for this. I take Black-Draught and make a tea out of it, and take it, along in small doses for several days. I have never found anything that served me so well.
 "Since I have known about Black-Draught, I have not suffered nearly so much with headache, caused from indigestion. If I find my tongue is coated, and I wake up with a bad taste in my mouth, I know I have been eating indiscreetly, and I immediately resort to Black-Draught to straighten me out."

Stubborn Coughs Quickly Stopped This New Way

It is often surprising how the most persistent, hacking cough that not only robs you of strength and sleep, but often leads to more serious trouble, yields quickly to a simple but wonderfully effective treatment.

This treatment is based on the prescription known as Dr. King's New Discovery for Coughs. You take just one teaspoonful at bed time and hold it in your throat for 15 or 20 seconds before swallowing it. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly removes the phlegm and congestion which are the real cause of night coughing. So with the cause removed, coughing stops quickly, your sleep undisturbed, and the entire cough condition soon disappears.

Dr. King's New Discovery is for coughs, chest colds, sore throat, hoarseness, bronchitis, spasmodic croup, etc. Fine for children as well as grown-ups---no harmful drugs. Economical, too, as the dose is only one teaspoonful. At all good druggists. Ask for
