## WILD CHERRY TONIC

Nature's system builder extracted from roots, bark and herbs gathered from the virgin forests in the heart of the mountains, a product of THE LAND OF THE SKY, the greatest crude drug producing section in America.

Hundreds have been benefited by this wonderful medicine. More than two thousand bottles have been sold in this section. A great portion of these sales have been repeat business---the proof of the pudding is the eating thereof. Why suffer with indigestion and stomach trouble? Others have been relieved---Wild Cherry Tonic did it. Give this simple old home remedy a trial --- the kind our fathers used and lived to a ripe old age.

**Run-Down**  
 gave out easily  
 "MY health wasn't any account at all," says Mrs. H. L. Cayton, of Washington, N. C. "I would start to do my housework and I would give out before I had done anything at all. I did not have any strength, and if I did the least thing it seemed to tax me so I could not finish. I was run-down sure enough."  
 "Several of my friends had taken Cardui and they said to me, 'Why don't you try it?' I knew I needed something to build up my general health and to increase my strength."  
 "Finally one day when I was recovering from a spell of sickness, I decided to try Cardui. I got a bottle and began to take it. I could notice that I was improving as my appetite got better and I did not give out nearly so quick. I took several bottles and I felt lots better."  
 "Two years ago I decided to take it again. It built me up and made me feel like a different person. It is the greatest medicine for women that I know anything about."
