WILD CHERRY TONIC

Nature's system builder extracted from roots, bark and herbs gathered from the virgin forests in the heart of the mountains, a product of THE LAND OF THE SKY, the greatest crude drug producing section in America.

Hundreds have been benefited by this wonderful medicine. More than two thousand bottles have been sold in this section. A great portion of these sales have been repeat business—the proof of the pudding is the eating thereof. Why suffer with indigestion and stomach trouble? Others have been relieved—Wild Cherry Tonic did it. Give this simple old home remedy a trial—the kind our fathers used and lived to a ripe old age.
