"To the Republican party goes the credit of being the leader in the campaign for national legislation to protect the children. It was the party that enacted the first federal child labor law," Mrs. Hert said. "The Republican platform commended congress for its prompt adoption of the recommendation of President Coolidge authorizing congress to pass protective child labor legislation. It also urged the prompt consideration of the amendment by the legislatures of the various states.

"This law, when ratified, will afford nationwide protection for child workers.

"The average woman of today is worker. She either works to support herself and those dependent upon her or she works to make the family income buy as many comforts for her family as possible.

"The last federal census showed that out of 572 occupations, only 35 did not have women workers. Women have entered the realm of industry and they must be carefully protected. The action of the Republican platform in favoring high standards of wage, working and living conditions among women has received widespread commendation.

"The election of President Coolidge and Mr. Dawes, supported by a Republican congress, will mean continued prosperity for the average home."

#### QUIT GETTING UP NIGHTS.

A Healthy Bladder Acts During the Day.

C. N. Shuman, Republic, Ohio, says: "Before taking Lithiated Buchu (Keller Formula) had to get up six or seven times each night. Now I do not get up at all. You may use my name if it would benefit anyone with trouble." Be careful not to take drugs that check the action of the bladder. You may have to continue its use. Lithiated Buchu (Keller Formula) increases the action during the day. It cleanses the bladder as epsom salts do the bowels driving out foreign matter, neutralizing excess acids, thereby relieving the irritation which causes "Getting Up Nights." The tablets cost 2c each at all drug stores or Keller Laboratory, Mechanicsburg, Ohio. Adv

### Nervous hot flashes

"SOME time ago when in a very nervous, run-down condition," says Mrs. Martha F. Marlow, of Broken Bow, Okla., "I tried numerous remedies to try at least to keep going, but I could not. I was weak and tired—just no good at all. My back ached and I had hot flashes until I was so very nervous I smothered."

"I couldn't sleep and I was never hungry, and I kept getting weaker. I couldn't stand on my feet. This was an unusual condition for me as I had been pretty strong all along. I knew that I would have to do something, and that pretty soon."

"Some friend suggested that I take Gardul, and it certainly was a good suggestion, for after taking one bottle I could tell I was stronger and better. I didn't quit. I kept it up all through the change and did fine. I felt like a different person after I began taking Gardul."

Gardul has helped thousands of suffering women. Sold by all druggists.
