Bad Color
(liver trouble)

"OCCASIONALLY I am troubled with spells of constipation and inactive liver," says Mrs. John L. Pence, Broadway, Va. "I always use Theford's Black-Draught when I feel a spell of this kind coming on, for it saves me a bad headache. My color gets sallow at times. I get real yellow, showing that the trouble comes from the liver."
"I have found Black-Draught to be the finest kind of a remedy for this. I take Black-Draught and make a tea out of it, and take it, along in small doses for several days. I have never found anything that served me so well."
"Since I have known about Black-Draught, I have not suffered nearly so much with headache, caused from indigestion. If I find my tongue is coated, and I wake up with a bad taste in my mouth, I know I have been eating indiscreetly, and I immediately resort to Black-Draught to straighten me out."

Be Neighborly!
If you are one of those who have written for The Charles William Stores' Catalog of big bargains and have not received it we are sorry. The reason is, an amazing demand for this book has exhausted our supply. We earnestly ask you to borrow a catalog from one of our customers—there are many in your community—and we are sure they will oblige you... and us.
Of our old customers we ask please help us and your less fortunate neighbors by loaning from your catalog for awhile.
We could not... at the demand would... this catalog and its... sale... May 15th... available... before... catalog is out.
We have... big contains that have made... catalog so popular and... huge demand, but unfortunately we have no more books... if our old customers and new ones will co-operate with us they will render a real service to us and to their neighbors.
