great all-star team on the Pacific coast.

The invocation was by Superintendent B. D. Bunn.

Mayor Howell was called on and in response made an impressive talk. He related the old days in football here, and the progress that has been made. He also pointed out that clean football tends to make clean men in years to come.

Dr. Stretcher, an official in many games here this season, told of the physical value of the game to boys and how they were influenced to live clean straight lives.

The chairman of the Waynesville school board, R. L. Prevost, spoke on the value of team work and clean playing, complimenting Coach Weatherby for the splendid work that he has accomplished this year.

Mr. Theodore McCracken and "Tony" Davis made impressive remarks on the good work of the team and the untiring efforts of Coach Weatherby.

W. C. Russ remarked of the valuable publicity the team had given Waynesville and their reputation of being a clean, hardfighting team.

Several members of the squad were called on for short talks.

Coach Weatherby then thanked the in winning all the regular scheduled team for their efforts and hard work.

Special mention was made of the three local players that were named on the All-Western North Carolina team, these were Sam Cabe, captain of the Waynesville team, Scott Reeves, consistent gainer, acting as quarterback and T. L. Bramlett, Jr., outstanding end for the locals.

The high school colors, old gold and black, were used in the dining room decorations. A runner of old gold was placed on the tables in the center of which was a miniature football field made with the school colors.

Lighted candles in silver holders were placed at each end of the table. The decorations and dinner were under the supervision of Mrs. D. D. Perry.

Award of letters was given to 23 members of the squad. Those receiving the letters were:

Cabe, Bramlett, Carver, Greenwood, Garland, Murray, Ratcliffe, Reeves, Haynes, Glen Wyatt, Bridges, Paul Davis, Patton, Summerow, Bryson, Brendle, Stringfield, Prevost, Jim Davis, H. Bryson, Gordon Wyatt, and Smith. Marcus McCracken received a manager's letter. R. Hendrix was named the new manager.

COMMUNITY KINDERGARTEN GIVES CHRISTMAS PROGRAM

On last Friday morning an attractive Christmas program was given by the Community Kindergarten under the direction of Mrs. H. B. Foy and Miss Sae Willard Lindsay. The Kindergarten rooms were prettily decorated for the occasion with Christmas greens and a tree.

The guests were welcomed with a song by Shirley Colkitt followed by a recitation, "If You're Good," by Mark Dicus. After several Christmas numbers, played by the orchestra in which all the children took part, Billy Davis told in a most realistic way the story of Santa Claus and the Kitten. The children then danced around the tree singing "Here We Go Around the Christmas Tree." The entire class gave a dramatization of a child's dream, the night before Christmas in which a little boy had a dream and was visited in his sleep first by Wee Willie Winkie then by a fairy who danced and scattered snowflakes. As the little boy dreamed of his toys they appeared around his bed, impersonated by the children. He was awakened by Santa Claus dashing in with jingle bells distributing gifts of sugar plums to the children. The children taking parts were: The dreamer, Noble Garrett; Wee Willie Winkie, Helen Nickolas; the fairy, Betty Mowdy; Santa Claus, Mark Dicus; the toys, Charles Way, Don Hyatt, Jimmy Nickolas, Mar-

Local Hunters Bag 600 Pound Bruin

Last week several bear hunters from Haywood county journeyed over to Bryson City on an elaborate hunt which resulted in killing one of the largest and most feared bruins in this section. This bear had been hunted for several years and had killed many cows, sheep and several hunting dogs that had previously attempted to bring him to his death.

The hide measured over ten feet long and his track was nine inches wide. He was known as "Batting Sam".

It is stated by the hunters that he slapped one of the dogs 15 feet into the air even after being shot several times with high powered rifles.

Those going from this county on the hunt were Dr. B. F. Smathers, who has 75 kills to his record, even at the age of 80. Judge W. H. Smathers, son of Dr. Smathers, and his guest Judge Abbott, both of Atlantic City, N. J.

He's Not Skilled.

At the Conclusion of the program the children gave the guests as souvenirs of the occasion Christmas baskets filled with candy which were their own work.

POISON in Your bowels!

Poisons absorbed into the system from souring waste in the bowels, cause that headachy, sluggish, bilious condition coat the tongue; foul the breath; sap energy, strength and nerve-force. A little of Dr. Caldwell's Syrup Pepsin will clear up trouble like that, gently, harmlessly, in a hurry. The difference it will make in your feelings over night will prove its merit to you.

Dr. Caldwell studied constipation for forty-seven years. This long experience enabled him to make his prescription just what men, women, old people and children need to make their bowels help themselves. Its natural, mild, thorough action and its pleasant taste commend it to people of all ages. That's why "Dr. Caldwell's Syrup Pepsin," as it is called, is the most popular laxative drugstores sell.
