

### N. C. Democrats On Committees

The Democrats have organized the lower house by a small working majority, and appointed the following congressmen from North Carolina to serve on the different committees:

**Banking and Currency:** Hancock, North Carolina.

**Census:** Kerr, North Carolina.

**Claims:** Clark, North Carolina.

**District of Columbia:** Clark, North Carolina.

**Elections:** Warren, North Carolina.

**Election No. 1:** Clark, North Carolina, Chairman.

**Election No. 2:** Warren, North Carolina.

**Election No. 3:** Kerr, North Carolina, Chairman.

**Enrolled Bills:** Clark, North Carolina.

**Immigration and Naturalization:** Kerr, North Carolina.

**Interstate and Foreign Commerce:** Alwinkle, North Carolina.

**Judiciary:** Weaver, 10th Congressional District.

This is one of the most important committees in the lower house.

The Republicans organized the lower house without any attempt of the Democrats to get control of that branch.

lights or appliances for decorative purposes in Christmas window displays are asked to get in touch with the city electrical department before doing so, in a notice issued by the department today. The electrical inspector promises cooperation in the installation of temporary electrical circuits so that they will be safe and the possibility of fire thereby reduced.

Expert advice will be furnished and a certificate of approval issued for installations found upon inspection to comply with the department's regulations.

The installation of temporary lighting systems by unskilled or unreliable workmen and without supervision by an electrical inspector is a very unsafe practice.

It seems wise to stress the advisability of refraining from any activity that will produce a fire scare and frighten away the already too timid prospective purchaser of merchandise.

"By all means give Mr. and Mrs. Christmas Shopper quality in whatever they buy but always keep clearly in mind that the prime consideration at this season, in view of what we hope will be crowded store conditions, is the matter of safety," said S. H. Stevenson.

### COVE CREEK

(Deferred from last week)

Rev. Forest Ferguson, of Crabtree, has been appointed pastor of the Cove Creek Baptist church.

Mr. and Mrs. Frank Bradshaw, of Iron Duff, spent Saturday night with Mr. and Mrs. Edgar Morrow. Many farmers of this section have made several trips to Greenville and Asheville to sell their tobacco.

Mr. Sam Duncan, of Marion, is visiting relatives here. Christmas and Santa Claus is being talked throughout this community. Everyone seems to be getting the Christmas spirit.

Miss Belle Bradshaw and Mr. Kimsey Howell motored to Asheville Saturday.

Mr. Jasper Brookshire and family, who have been living in New Jersey, have moved to their home near Dellwood.

A box supper will be given at the Cove Creek school house Wednesday night, December 23, for the benefit of the school.

### Much Interest Shown In Sale Of Christmas Seals Here This Year

"Much more interest is being shown this year than last in the purchasing of Christmas Seals," remarked Mrs. Thos. M. Seawell, chairman of the Christmas Seal sale here. The seals are on sale at all drug stores, the Book Store, The Gift Shop and several civic organizations are selling them individually. Mrs. Ira Thackston has seals for the D. A. R.

Mrs. Seawell and others promoting the campaign, are anxious that the sales here increase during the remaining few days. The funds derived from these seals is kept here in Waynesville and is used to fight tuberculosis locally with the exception of 25c from each dollar is sent to the state fund.

Dignified Old Lady in Museum (slightly deaf)—What sort of a foot apparel is that?

Attendant—A boot, madam.  
Old Lady—Eh? I didn't hear you  
Attendant—Boot, boot, a boot.  
Old Lady—See here, young man, don't try your jazz song on me!

### When in Need of Printing 'Phone 137

### SAUNOOK

(Deferred from last week)

The school will close Friday afternoon for the Christmas holidays which will end January 4.

Mr. Hinton, the county sanitary officer, inspected the school Tuesday. Through the co-operation of the school and its patrons the county is attempting to aid all of its citizens in securing proper sanitation. The officer considers this a great opportunity for our section and urges that the people co-operate in every respect.

Mr. Robert Arrington of the U. S. Navy has returned to his ship in Boston, Mass., after a thirty day leave of absence.

Miss Dinna Noland of Hazelwood is a recent visitor here.

Mr. W. T. Lyles has returned after a brief business trip to Georgia.

Mr. J. R. Trull and Mrs. C. L. Allen were among those who attended a singing convention at the high school Sunday.

Mrs. B. J. West and her daughter, Florence, of Sunburst, visited Mr. and Mrs. J. A. Hawkins during the past weekend.

Mr. and Mrs. Ernest Rogers of Rockee are now visiting Mrs. Rogers' parents, Mr. and Mrs. Dill.

Mr. and Mrs. R. E. Arrington and Mr. Robert Arrington with a well party before the latter returned to duty in the U. S. Navy. The following were among those present: Miss Clark, Bessie, Marcia and Edie Arrington, Margaret Eparks, Mrs. S. B. Arrington, Mrs. C. A. Luge, Herbert Stephens, Emerett Roke, Don and Garnett Snyder.

The school will present four short plays for its Christmas program. The members of this section are invited to attend and a large crowd is expected. The writer of this news will be absent for two weeks. However, if there is any important news that you wish published, mail it to me or direct to the Mountaineer. The writer wishes the people of this section a Merry Christmas and a Happy New Year.

### Warns Against Defective Electrical Xmas Fixtures

A warning to citizens against the use of cheap or unapproved electric lighting systems for illuminating Christmas trees in homes during the holiday season was issued yesterday by City Electrical Inspector S. H. Benson.

While electric lights are much safer for illuminating Christmas trees than the familiar old wax candles, all native electric lighting systems are not safe," said Inspector S. H. Benson. "To prevent a possible fire which might result in loss of life, especially among children and which might also damage or destroy your property, the electrical inspection department asks that you use only lighting sets approved by this department."

Good sets which are safe are not only more expensive than sets of doubtful quality. Furthermore, sets approved by the department are sold by a large number of retail electrical shops and department stores in this city. Lamps may be obtained in a wide variety of designs and colors, and by calling this department you can learn what outlets are approved.

Call telephone 153."

Merchants planning to use electric

You needn't tell me  
—I know Camel is  
the fresh cigarette!

**Here's why they're FRESH!**

**CAMELS are never parched or toasted**

**THERE** is of course a sound reason why the Camel Humidor Pack can deliver to Camel smokers a cigarette that is genuinely fresh.

Camels are made fresh to start with, fresh with natural moisture — blended of the choicest, delicately mild, full-mellow, sun-ripened tobaccos that money can buy.

The full natural goodness of these fine tobaccos is safeguarded at every step in their handling—they are never parched or toasted—the Reynolds method of scientifically applying heat guarantees against that.

That's why we can say with every assurance that

Camels are truly fresh. They're made fresh — not parched or toasted — and then they're kept fresh in the Camel Humidor Pack.

The delights of a genuinely fresh cigarette are so rare and desirable that Camel popularity continues to mount daily to new highs.

Test these delights for yourself—see what true freshness means in cool, slow-burning, delicate mildness—switch to Camels for just one day, then leave them—if you can.

# CAMELS

Made FRESH — Kept FRESH

Don't remove the moisture-proof wrapping from your package of Camels after you open it. The Camel Humidor Pack is protection against perfume and powder odors, dust and germs. In offices and homes, even in the dry atmosphere of artificial heat, the Camel Humidor Pack can be depended upon to deliver fresh Camels every time
