NEWS BRIEFS

Gov. O. Max Gardner has been requested to call a special term of Buncombe superior court for trial of cases involving the condemnation of lands for inclusion in the Great Smoky Mountain National Park. The board of county commissioners at a special meeting adopted a resolution requesting the special term to begin January 25.

Confident Chairman Ratskob has definitely abandoned his state liquor plan as a Democratic platform plank. Democrats Congressional leaders believe a harmony session is in sight at next month's national meeting.

In a statement yesterday Joseph Daniels said that the Democrats will win next year. A candidate must have no vestige of "pink republicanism" he stated. He also said prohibition was not an issue this year.

Fifty-three suits were filed in the Buncombe county superior court against persons who failed to pay pledge to the Great Smoky Mountain National Park. Quite a few of these suits were against Haywood county citizens.

The state budget bureau cut state expenses at Raleigh yesterday. Expenses that were drastically slashed by the 1931 assembly were slashed still further.

Max Schmeling and Mickey Walker are scheduled to fight late in February in Miami, Fla., providing certain agreements between managers can be worked out by that time.

HAYWOOD BOY IS KILLED BY EXPLOSION CHRISTMAS

Ulyessus Harvey, of Mount Sterling, attempts to shoot Holiday bomb.

Ulyessus Harvey, 23, of the Mount Sterling section, was fatally burned Christmas eve night when he attempted to shoot a home made "bomb". The bomb was made of an unusually large amount of powder and it was his intention to use it as part of the holiday celebration.

After lighting the fuse he waited for the explosion, but instead of the bomb exploding, his belief was that the fuse went out. Just as he neared the bomb it went off, setting his powder covered clothes on fire. He started to run and ran half a mile before his two friends could catch him. When they finally caught him his clothes were burned completely off and the flesh severely scorched.

His friends tried in vain to relieve him of his suffering and tried to carry him but he could not endure the pain being touched. He walked a mile and a half to the home of his mother, Mrs. B. A. Harvey. There friends made a bed on a truck and started for the Haywood hospital here. The arty reached the hospital at 4 a. m. Christmas morning.

He suffered intense agony, and very little could be done to give him relief because of the nature of the burns. He died at 9:30 Christmas morning. The accident occurred about 1:00 the night before.

The two friends with Harvey at the time of the explosion were Ernest White and Gilmer Leatherwood.

Funeral services were held at the Baptist church in the Mount Sterling section Saturday afternoon.

Surviving are his mother, one brother, Ernest, and five sisters, Mrs. Ernest Early, Susie, Alma, Leo and Eldred.

KILL LARGE DEER

Guy Massie and Roy Francis bagged an 8 spike buck deer Tuesday afternoon. They are members of the Red and Gun Club, where the deer was killed.

LAWRENCE SMITH SHOOTSELF IN HEART, IS REPORT

Two Pistols are Found by his Side After Fatal Shot is Fired.

NO MOTIVE GIVEN

Was Resident of Mount Sterling Section. Was in Company of David Sutton.

Reports reaching Waynesville from the Mount Sterling section were that Lawrence Smith, 22, had committed suicide late Saturday afternoon.

Sheriff J. A. Lowe investigated the death but up until Wednesday morning had no comment to make on what he had "uncovered". The meager reports reaching here were that Smith called at the home of David Sutton, a neighbor Saturday afternoon to get a pistol he had let Sutton have some time back. After receiving the pistol from Sutton, Smith talked for several minutes to Sutton and asked him to walk part the way home with him.

The two, it is said, walked for about 75 yards, when Smith turned the pistol on himself, firing a bullet through his heart.

Upon investigating it was found that two pistols were found near Smith's body. Sutton told officers that Smith committed suicide.

Funeral services were held Tuesday morning. He was the son of Mr. and Mrs. Dick Smith.

Hit-And-Run Driver Caught, But Escapes

W. W. Blackwell, of the Blackwell-Bushnell Wholesale Grocery Company was convinced early Monday morning that a caught hit and run driver is worth more than several such menaces still at liberty.

Rumors That Two Waynesville Boys Killed In Florida

Word was received here by The Mountaineer from Jacksonville that two boys from Waynesville, Bill Forester and a Messer boy were killed in a wreck there last week.

The sheriff's department was unable to place the boys and it is thought that it must be Waynesville of another state, although the third boy in the party, Ernest Watson, of Bryson City, was also killed.

Paper Printed 40 Years Ago Brought To The Mountaineer

A copy of The Waynesville Courier printed September 17, 1891 was brought to this office last week. It is yellow with age but can be easily read.

At that time Z. V. Rogers and J. D. Boone were editors of the paper. The advertisements consisted mostly of patent machines and farm implements.

During the last few years the farm production and valuation of Haywood county have increased considerably. This is especially true in the matter of money crops, dairy products and cattle raising. No Arrests Made Here Christmas

Sheriff J. A. Lowe reported that business with his department Christmas was the "dullest" in years, not a single arrest was made. For once, said the sheriff, everybody celebrated Christmas as they should. It is unusual for Christmas to pass without several arrests being made.

Chief of police, J. L. Stringfield, also reported an unusually quiet Christmas. Several people that had had a drinker two were on the street, but no disturbances were caused. None were drunk enough to be arrested, which is the first time in years that no arrests have been made in the city on Christmas.

Rev. T. B. Price, of Lake Junaluska, is spending the winter in Florida. His address is 147 Second Avenue, North, St. Petersburg, Fla.
