Righteous Reward

Some years ago a moderate drinker boasted that he wasn't a slave to liquor and could drink or not as he chose. Passing a saloon with a friend, said:

"Did you see me pass that saloon?" Before long they came to another saloon and he passed that and soon they passed another saloon. When they came to the fourth saloon the man turned to his friend, saying:

"Now having shown you I can resist temptation, come in and I will reward myself by taking a drink with you."
