

ED SMITH GETS SENTENCE OF 18 MO. TO 3 YEARS

(Continued from page 1.) Smith be segregated so far as possible from the hardened criminals in the institution. In speaking to the young man of his mistake, Judge Stack took occasion to recommend that he make this period of confinement one of serious sober thought in order that the whole affair might be a lesson to him in the future. Luke Smith was found not guilty of the slaying charge in the same connection. The tragedy, in which Brock lost his life, took place in Canton when Brock is alleged to have attacked the elder Smith because of hostility over differences which arose over settlement of a small debt. Brock was shot by young Smith, who claimed that he fired in defense of his father, who was being badly beaten and mistreated by the former. After the shooting, in which Brock was fatally wounded, both the Smiths fled the county and went to Transylvania where relatives lived and from which place they had come to Canton a number of years before. There they surrendered themselves to authorities and were returned to the Haywood county jail.

Cope Receives A Sentence Of 5 To 7 Years Wednesday

Tom Cope of Jackson county, who was found guilty of manslaughter here last week, at the regular term of court, received a sentence of from five to seven years from Judge A. M. Stack. Cope was charged with killing a young man by the name of Ruff, near Balsam. Evidence brought out in the trial tended to prove that the defendant was driving his car at an unlawful rate of speed when it struck the deceased. In passing sentences Judge Stack brought out that care should be taken in observing the safety rules and that pedestrians should always walk on the left side of the highway, at a safe pace they would always be free from approaching automobiles. This is the second time Cope has been tried. The first trial resulted in a mistrial. The jury was out about five minutes in the present trial.

New Mail Service Is Inaugurated On Asheville Route

Postmaster, T. L. Green announces the inauguration, effective Feb. 15th, 1922, of a special star route mail service from Waynesville to Asheville daily except Sunday. This mail will leave the Waynesville post office at 5 p. m., stopping at Canton and Enka, reaching Asheville at 6 p. m. This is a one way service, nothing being handled from Asheville to Waynesville by this carrier. The advantages of this service are that it will handle the letter mail from 4 rural routes, including also mail from Dellwood, Maggie, Cove Creek, Cataloochee, Nellie and Ola, putting it into Asheville on the same day it is collected; also enabling the banks and business concerns at Waynesville, Canton and Enka to dispatch their mail two and a half hours later than at present. Mail handled by this route will make connection at Asheville with train No. 27, and with a star route leaving Asheville for Spartanburg, S. C. about 7 p. m., and connecting there with the Washington-Atlanta main line of the Southern. The Asheville Citizen-Times Company has been awarded the temporary contract to carry the mail on this star route, Feb. 15 to June 30, 1922.

Local Cagers Split Two Doubleheaders

Waynesville high school basketball teams, Tuesday night, divided a doubleheader with the strong Sylva teams in a fast and exciting game. The local girls were unable to overcome the early lead of the Sylva girls and found themselves credited with 19 points while their opponents had 41 points to their credit. The boys barely nosed out the Sylva girls by a close score of 19 to 18. Last Friday night the locals met the Hendersonville teams here and divided that game with the Bears, the boys losing and the girls winning. In the boys' game an extra period was necessary to play off a 27-27 tie. The locals were ahead until Bramlett made his fourth foul and was relieved by Wyatt who made a foul which entitled the Hendersonville to two free trials at the goal. This lucky Bearcat shot both baskets and the result of a 30-31 score for Hendersonville. The Waynesville girls won easily from the Hendersonville girls by a score of 47-24.
