thought from pass o c

before they enter the hall. Not one word is specien than the time they enter until they leave the mess hall. When more food be be sired, their wants are immediated attended to by the waiteraising of the hand brings a war After breakfast they are taken to ta. different sections of to work on the roles. Their noon meal is served on the road. They work on the roads until about 5:80 in the afternoon, then they are brought back and erem few minutes to get some of the day's dust off before the evening men).

After supper they are ushered to the barracks, and permit d to aways themselves as they see fit. Some write, others spin yars - warm unc spanied by a banks of a vision. As 150 the, are required to retire for the night, with one thought uppermost in their mindst "another day off my sentence.

To a convict the most evenuer conversation is the length of his sentence. Without questioning this usually tell all about their crime and how they look forward to certain months, which will mean their free dom. One youth about 19 years old said if the "blessed month would only hurry and come, I'd he fre again. He was serving time for get ting drunk and swpre the last door of liquour had passed down his threat Another prisoner, 27 years old, sale

this term was his fifteenth. He has been sentenced for "everything" he said. He has a reputation of being one the hardest workers among the 80 men.

It was a depressing thing to so that the majority of those 80 convicts were just out of their teens About 65 were less than 25 years of age. They had a forlorn expression upon their faces and did not seem to care if the sun never rose over them again. It was pitiful to see so many youths deprived of their liberty.

A religious service is held ever Sunday by the preachers of the com munity. The convicts show much en

racks for the night the rumor was
