VALADICTORY

ed us along the path of duty-to ourlves, to each other and to the Great Father of us all. Though we mingle

together no longer in the class room, we shall always cherish your teachings. We feel that in parting from you we part with some of the best riends we have ever had. We trust that the richest blessings of "by work you may undertake may rest upon ou. And as we part we wish to say, Thank you" and "God bless you." Friends and neighbors, you who have encouraged us on our way, who rejoiced in our small triumphs and who have given freely of your time

for us to say farewell. Mixed feelings arise in our hearts-perhaps a cluster around leave-taking. you, classmates, say be well, be strong, eyes the past four years, we feel wit We have learned some of the funda- a very acute sense of pride the epoch GASOLINE AND OIL we have learned some of the making character of the "Great Class mental rules for good living and hapmaking character of the "Great Class mental rules for good living and hapmaking character of the "Great Class mental rules for good living and happiness, May we use them and find of 32." From the beginning there and remember you can't hous effort.

part less strenuously it is with unusual interest and a pe go wrong if you get your but with no less feeling. "Au revoir." culiar sense of respect that we recal "To the meeting." No land on earth the history of our class. attracts her children to come back or to remain as do these grand old hills of Western North Carolina. Many of cated boys and girls from different us, I hope, will find careers here. We Grammar Schools of do not need the rainbow or the mirage Township arrived at the Waynesvil to lure us elsewhere for happiness High School to form one of the and success. So one of the best wish-est freshman classes that had es I can make is that many of us will entered our Alma Mater. Shortly, throng these halls, these streets, and ever, we realized that numbers hills many times in the future and not count or rule, but that the Sen will find in these continued associa- and Juniors were the Kings iness and success. So campus, we became fully aware in saying good bye to our high school this by being required and pus ife, we are merely saying "Au revoir." preform many feats such as sur The Saxon at parting said "God ing note book paper, pencils, ink, peed"-or "God be with you," thus rying books, and also buying acknowledging his dependence upon for the upper classmen, to which and gratitude to a higher power. True be added lots of other foolish **NEW AND MODERN** lucation teaches us some self reliance the memory of which will long re-

but in it all we realize our dependence with us. which makes me add to our words This groupe of Intellectualities "Valete, Au revoir" the one of deep-est meaning—"God Speed."

CLASS MOTTO

Our motto places as the great

cornerstone in manhood building as the initial word of the trio a word which I ask you to think of as meaning "Mental Toil." Labor commonly in plies a more strenous exertion than We appreciate your work and I want you to think of 'Labor" as an intellectual effort (Men tal Toil) directed to an end. We have from reliable authority that out of patronage 100 children entering the 1st grade only five graduate from high school, therefore we know that Labor (or **EAGLE** Mental Tow) is not pleasing to the average child. Education comes through Mental Toil. It cannot be inherited, it can't be given to us, all the 5, 10 & 25c STORES millions in the world can't buy it for us. The plans and specifications are in reach of all children and if they started laboring during the formative started laboring during the formative of life they would acquire a years of life they would acquire a training that would enable them to I know that our motto in the graduating class of does not mean that physical labor was T. H. S. a boy who is, I see needed for us to reach the senior class, future, to become the mayor but it did demand mental labor, that ille, a city of prosperity, type of work in which so many refuse amous beauty. This boy's to engage. There is sufficient power wrapped up in the brain to enable all live in a beautiful house who labor on the battlefields of life his boyhood home and oppo-tigh school building. This to triumph. In every life there are measurless potentialities when mental C. E. Almost every woman in the country has taken up knitting again, and I am glad to find that the Woman's Exchange has beautiful bouclette of every shade imaginable. It is, also, nice to know that Mrs. Allen will be able to show her customers how to carry out any design they desire. Do drop in and see what a lovely assortment of colors she has. I am sure you will be delighted with them and with her reasonable prices.
