FOR STATE SENATOR

VOTE FOR

W. R. FRANCIS

A CANDIDATE WITH A DEFINITE PROGRAM

1. He believes in the rule of the people and will represent their interest in the North Carolina Senate.
2. He is for the repeal of the fifteen cents ad valorem tax for the support of the six months school, and the placing of the burden of raising the amount needed for the schools upon sources not now bearing the proper portion of the tax burden.
3. He is in favor of the repeal of the burdensome 20 per cent tax foreclosure law, and for a law more liberal to the taxpayer who should become financially unable to meet his taxes by a certain date.
4. He favors revaluation of property for taxation so that the tax books will speak the truth.
5. He favors banking laws that will protect the depositors.

He is a man of ability able to meet debate with debate and to take care of the interests of the people of Haywood County in the State Senate.

FRIENDS OF W. R. FRANCIS

EHRINGHAUS
THE
MAN

I appeal to the Democrats of Haywood County to cast their votes for John C. B. Ehringhaus for Governor for the following reasons:

1. Because he is a man of experience; not the experience that comes from long tenure in public office, but that practical understanding which comes from the long and thoughtful study of the basic principles involved in the science of taxation, of social welfare, of industrial legislation, of governmental administration, of legislative procedure and practice, and of constitutional law.
2. Because of his unfaltering courage and inflexible honesty.
3. Because he is filled with the noblest sense of humanity and fit to serve the great cause which make for the betterment of mankind.
4. Because he stands for honest and progressive government, equality before the law, for equal and exact justice, and a square deal for every man, woman and child living in North Carolina.
5. Because he favors the present great highway system, to be extended so as to require the State to maintain the roads running through the towns.
6. Because he is a friend to education and believes in promoting the educational facilities of the State, but believes in relieving land from taxation for the support of the schools.
7. Because he favors economy but efficiency in government.
8. Because he has rendered more gratuitous service to the Democratic Party than any man living in North Carolina and is willing to stand or fall on the record of the Democratic Party in the State and nation.
9. Because he is opposed to the short ballot, and any form of centralized government.
10. Because his life is an open book and his public and private career an anthem and an inspiration to the youth of the State, and because those who know him best believe that he will make our greatest Governor since Aycock.
