uly 3, at 8 o'clock. Mr. Eversham, violinist, will be resented and he will be assisted on the he program by Mr. Charles Burnham, artione. Both artists are from the sheville Conservatory of Music, he public is cordially invited. A riler offering will be taken.

Dedication Service Is Not Announced Yet

The dedication service date of the new court house has not been officially announced by the commissioners. The program for the service is in charge of Felix Alley, prominent lawyer of Waynesville, and who is a delegate to the Democratic Convention in Chicago. s understood that the dedication will not be held until after the grounds and improvements hem have been completed. The riginal plans called for the dedcation on July 11, but it is doubtful if the grounds will be complete by that time.

COUNTY EXPECT-ED TO ACCEPT BUILDING SOON

Grounds Yet Unfinished. Court To Be Held At Masonic Temple.

MANY FACTS GIVEN ABOUT NEW BUILDING

Special Edition Of Mountaineer Tells In Detail Features Of Bunlding.

At a special session of the Board of County Commissioners Montary the new yeart house was accepted without any changes or controversies arising from several of the centracfors. The official acceptation will take place about Monday, it was said.

The matter of grading was brought before the board, but no definite action will be taken on this until the last week it was said. The board received bids. at did not award a contract pending action of the board later. The completion of the new court

house has been a long looked for event in Haywood county, and the effeet it has had on the people here is most unusual. The asmosphere of the county has been filled with a little nere eptimism and nep than at any

The building is melaimed by all who it as a most beautiful one, espeally the court room. It has been tated as one of the most beautiful buildings in the state and one the few in the south. cting details of the building will be in the many articles found sextate in this edition, which is a vote a entirely to the court house.

The building was completed about To Bring Good Yield to the centract. The mild winter and the efficiency of the contractors was responsible, of course, for this feat.

Much disappointment was heard when it was found that it will be althat those attending court will not

The moving date for the county

The building and ground improvelass seed will be available to potato ments will cost about \$240,000, it was stated. According to those in close contact with the building business today the county has saved at least \$60,000 on the entire building. The building is modern in every detail, and absolutely fireproof. It has been said that it would be almost

This week The Mountaineer is in detail about the building and the many outstanding features about the
