MRS. MARTHA GUNTER DIES AFTER A LONG ILLNESS

Mrs. Gunter passed away at the age of 75 on Saturday afternoon, June 25th, at 10 o'clock, at her home on Assembly Street. For many years she had been confined to her home and was a Baptist from early in life and had a strong faith in the family plot at Turpin on Sunday afternoon. Her funeral was officiated by Rev. Baucom officiating. There were many friends and relatives present.

How Much Should a Funeral Cost?

WE believe that the funeral should reflect accurate standard of living of the deceased. To fall below this standard is not good taste. To go above is more a mistaken sentimentality. Whatever the needs of the particular case, the high standards of our service are maintained.

Build Up Health and Pains Go Away

WOMEN who suffer from weakness often have many aches and pains which a stronger state of health would prevent. Women in this condition should take Cardui, a purely vegetable tonic that has been in use for over 50 years. Take Cardui to improve the general tone of the system in cases of run-down health and "tired nerves." Women have found, in such cases, that Cardui helps them to overcome pains and make the monthly periods easier. CARDUI is safe and wholesome for women of all ages. Try it!

We have kept pace with Haywood County's progress, because we always tried to do the job just a little better than we were being paid.
