let us do the family wash ... this easy, thrifty

Know the joys of greater leisure

MORE leisure to the modern woman means more time for the children, for more agreeable household duties, and for more agreeable household duties, and for the scores of other interests which make up her own little world. These are duties far more desirable than long, irksome hours spent over the family sushing. Let us do your washing! Just take a moment to 'phone, another to busids up the clothing—and your washday were ries are over. You will be astonished at its snowy whiteness—and its low cost.
