

OLD HAYWOOD, I LOVE THEE

Words by MRS. M. J. BRANNER

Dedicated to the people of Haywood County

Music by MARGARET STRINGFIELD

1. Old Haywood, I love thee, and e'er from my heart, Shall thy im-age of love - li-ness fade or de- span; And as their peaks and wanderer reach as they rise, They point us be - low to a home in the shade, When its mur-murs are hushed in the bright stream that laves The base of the moun-tain with white crest-ed eye. Where the sons - ev - er brave and the daugh-ter's e'er fair, Live in peace and joy, with-out sor - row or

part; It will in - ger a - round me - ber - e'er I may roam, And sing of thee ju - est, my child-hood's fair span; And as their peaks and wanderer reach as they rise, They point us be - low to a home in the shade, When its mur-murs are hushed in the bright stream that laves The base of the moun-tain with white crest-ed eye. Where the sons - ev - er brave and the daugh-ter's e'er fair, Live in peace and joy, with-out sor - row or

home. I love thy green mead-ows, thy soft slop-ing hills, The birds of thy wild-woods, the song of thy skies. The noise of the cat - a - ract heard from thy hills, Is min - gled with mur-murs of bright spark-ling waves. There may be bright spots on this wide spread-ing earth, More fair and dear than the place of my care. Then talk not to me of I - tal - ias blue sky, The wealth of the In - dies, where bright dia-monds

rills, The fields of rich harvest, which round thee un - fold, Thy sweet scent-ed flow-ers of pur - ple and gold. Birth, Dancing fair - y - like on - ward a glit - ter-ing band, Till their mu - sic is hushed in thy pla - cid Rich-land. birth, But old there is none o - ver land o - ver sea, More dear to my heart like old Haywood to me. lie, They would prove to me ev - er a sad, worth-less dome, For my heart would be sigh - ing for Haywood my home.

All motions and uncontested divorce cases may be called at convenience of the court.

Hazlewood School News

The teachers of the Hazelwood School are the same as last year except Miss Louie Medford who takes the place of Mrs. Dewey Stovall and Miss Margaret Burgin who succeeds Mrs. Robert McLeod. It is believed that the best years work was done last year that could be done under the existing conditions. In fact, superior work was done. Both teachers and pupils are setting themselves to the task of making this an equally successful year.

As has been the case for the last three years the Hazelwood school has been over-crowded. To date more than five hundred pupils have been enrolled which means there are over 45 pupils per teacher. In one of the rooms there are 89 and in another there are 53 pupils.

During the summer Mr. J. C. Fisher gave to the school nearly two hundred copies of the National Geographic magazine. This will be of great help in many of the studies. Many thanks to Mr. Fisher. Also twelve or fifteen new books have been added to the library. This is not nearly enough to complete the needs of the school, however.

MEMBERS OF BOXING CLASS ARE URGED TO BEGIN PRACTICE SOON

C. A. George, who conducted a boxing and wrestling class here last winter, announced yesterday that this class would resume practice at once. He urged that all members of the class, which included about 50 local boys and young men, get in touch with him not later than Friday for full information regarding a public bout which will be staged Monday night at the Boy Scout celebration on the lot next to the LeFaine Hotel on Main Street.

Mr. George started his class last year because he was interested in boys and young men and he took this way of keeping them out of mischief. The only cost to become a member of this class is that the boys promise to obey rules which prohibit smoking, drinking, using profane language and tobacco. There is no age limit to the class, every one from 10 to 100 that can obey the class rules is welcome, Mr. George said.

Last year members of the class entered the Western North Carolina boxing and wrestling tournament in Asheville and brought home three titles, heavyweight boxing and wrestling and middle weight wrestling. For this tournament the boys only were in training two weeks.

The class has been given the privilege of using the Boy Scout ring which is located on the lot next to the LeFaine Hotel. When cool weather sets in other quarters will be provided, although this matter has not been definitely decided upon.

LIBRARY NEWS

The regular quarterly meeting of the Waynesville Library Association was held on Wednesday morning, September the seventh, at the home of Miss Grace Bowles. Since every member of the board was present a most enthusiastic meeting resulted.

Various plans were discussed for raising money to meet the most pressing demands and it is hoped something definite can be announced later.

Considering the number of public libraries in various parts of the country that have been obliged to close their doors for lack of support the directors of the Waynesville Library feel gratified that such a calamity has not come to our city, and feel spurred on to even greater efforts in the future so as to keep one of the city's greatest assets alive and in working order.

Visitor Here For 20 Years Passes Sunday

Mrs. John LeRoy Davis received a telegram Sunday telling of the death of Mrs. Lyda S. Moor, of Tallahassee, Fla.

Mrs. Moor has been a summer visitor to Waynesville and other points in western North Carolina for the past 20 years. For many years she was accompanied by her husband, Dr. W. S. Moor, who died several years ago.

Mrs. Moor spent some time in Franklin, later coming to Waynesville and Lake Junaluska. Ill health prevented her making her usual mountain trip this year.

Dr. Pate Attended Clinic In Atlanta Last Week

Dr. Pate, of Clyde, motored to Atlanta where he attended clinics in Electro-Surgery and Radium Therapy, Thursday and Friday.

He was very much impressed by the rapid advancement made in this branch of surgery as was demonstrated at the clinics.

He also attended clinics held at the "Albert Stiner" clinic, where he states wonderful strides are being made in the treatment of Cancer by Radium and Electro-Surgery. He returned home Saturday.

Many Dahlias To Be On Display

(Continued from page one)

for this); class 4, best display of dahlias outside of Haywood county, first prize, dahlia tubers to value of \$5; second, dahlia tubers to value of \$2 (winner of class 1 cannot compete for this).

Class 5, for display coming longest distance, dahlia tubers to value of \$3; class 6, the best and largest display from exhibitor growing less than 50 dahlia plants, first prize, dahlia tubers to value of \$3; dahlia tubers to value of \$1.

Class 7, the best display from grower never exhibiting before in Waynesville show, first prize, dahlia tubers to value of \$5; second, dahlia tubers to value of \$1; class 8, the most artistic vase or basket of dahlias (other foliage allowed), first prize, dahlia tubers to value of \$3; second, dahlia tubers to value of \$1; class 9, the best vase or basket of pink dahlias (10 or more blooms), first prize, dahlia tubers to value of \$3; second, dahlia tubers to value of \$1.

Bronze Dahlias Class 10, the best vase or basket of yellow or bronze dahlias (10 or more blooms), first prize, dahlia tubers to value of \$3; second, dahlia tubers to value of \$1; class 11, the best vase or basket of red dahlias (10 or more blooms), first prize, dahlia tubers to value of \$3; second, dahlia tubers to value of \$1.

Class 12, the best vase or basket of assorted colors in dahlias (harmony of colors to count 50 per cent) (10 or more blooms), first prize, dahlia tubers to value of \$3; second, dahlia tubers to value of \$1; class 13, the best vase or basket of decorative dahlias (five or more blooms), first prize, dahlia tubers to value of \$3; second, dahlia tubers to value of \$1.

Class 14, the best cactus dahlias (vase or basket of five or more blooms), first prize, dahlia tubers to value of \$1; class 15, the best vase or basket of peony dahlias (five or more blooms), first prize, dahlia tubers to value of \$3; second, dahlia tubers to value of \$1.

Class 16, the best pompons (any number of blooms permitted), first prize, dahlia tubers to value of \$3; second, dahlia tubers to value of \$1; class 17, the best specimen bloom of Kathleen Norris from bulbs furnished by J. B. Ivey, first prize, fine bulbs to value of \$5 (growers' selection); second, fine bulbs to value of \$2 (growers' selection).

Class 18, the best specimen bloom of pink dahlias, first prize, dahlia tubers to value of \$3; second, dahlia tubers to value of \$1; class 19, the best specimen of white dahlias, first prize, dahlia tubers to value of \$3; second, dahlia tubers to value of \$1.

Class 20, the best specimen bloom of red dahlias, first prize, dahlia tubers to value of \$3; second, dahlia tubers to value of \$1; class 21,

the best specimen bloom of yellow or orange dahlias, first prize, dahlia tubers to value of \$3; second, prize dahlia tubers to value of \$1.

Purple Dahlias Class 22, the best specimen bloom of lavender or purple dahlias, first prize, dahlia tubers to value of \$3; second, dahlia tubers to value of \$1; class 23, the best specimen of any other color not specified, first prize, dahlia tubers to value of \$3; second, dahlia tubers to value of \$1; class 24, largest and most perfect bloom in show, first prize, dahlia tubers to \$3; second, dahlia tubers to value of \$1.

Thousands Find Health In Amazing Mineral Compound

New Scientific Formula Containing Essential Elements of Human Body, Combined with Necessary Vitamins, Brings Radiant Health to Many Who Had Given Up Hope of Ever Being Well Again.

LEE'S MINERAL COMPOUND with Vitamins

Supplies the System with a Balanced Proportion of the 11 Essential Minerals Combined with Vitamins.

CONTAINS

- IRON--for building rich, red blood-cells and a tonic upon the nerve centers.
IODINE--a stimulant to the thyroid gland and a preventive of rheumatism.
CALCIUM--for the building of cartilage, bones, tendons and muscles.
COFFEE--which is a valuable treatment in cases of malnutrition and emaciation.
CARBON--which is a necessary element in the perfect balance of the body.
MANGNESTUM--a stimulant to the glands of the intestinal tract and to eliminate metabolic poisons.
MANGANESE--a valuable treatment in cases of deficient nerve nutrition and neurasthenia.
PHOSPHORUS--a valuable aid in treatment of nervous exhaustion, neuralgia and skin diseases.
POTASSIUM--which has a marked effect upon metabolism and is an essential to vital activity.
SODIUM--which supplies the deficiency of phosphates and acts as a corrective of constipation.
SULPHUR--an important element in nutrition and an essential to the health of albuminous organs and tissues.
SILICA--which appears in every healthy human being and is an essential element of the body.
VITAMINS--without which, it is believed the body would wither and die.

A Food Vitalizer NOT A PATENT MEDICINE CONTAINS NO ALCOHOL

People in All Walks of Life Tell of Its Powers. Many Declare Lee's Mineral Compound Has Brought Them Health, Strength and Vigor After Many Medicines Had Failed Completely.

You who are blue, downcast and depressed over your loss of health. You who have tried many medicines and treatments with little or no relief--take new heart and cheer! Prepare yourselves for the most joyous surprise of your lives.

Throw away your "patent" medicines, pills and drastic laxatives. Give Nature a chance! Feed your body with the essential Minerals and Vitamins that God intended you should have and see how quickly Nature asserts herself and charges your body with renewed health, strength and vitality.

BODY DEMANDS MINERALS Medical Science has discovered that the human body is made up of a very limited number of essential elements. All of these are found in the Mineral Kingdom and in foods in their natural state. To be exact, the healthy human body is composed of eleven Minerals and when these are present in balanced proportion, we enjoy good health.

Unfortunately, few of us give any thought to balancing our diets according to their Mineral content, and therefore we must pay the penalty. A deficiency of these elements brings on Indigestion, Gas, Bloating, Constipation, Headaches, Nervousness and a host of other ills. We soon lose strength, go from bad to worse and become disgusted with life itself.

NEW WAY TO HEALTH For many long years, Physicians and Chemists have been trying to combine, in proper proportion, the eleven essential Minerals with necessary Vitamins. They realized that the preparation must be easily assimilated and supply the system with these elements so necessary to health.

Fortunately, for all mankind, this tremendous undertaking has met with success! Science has perfected a most remarkable formula, known as LEE'S MINERAL COMPOUND. This preparation supplies the system with the eleven essential Minerals, in combination with Vitamins. It is not, in any sense of the word, a "patent" medicine but is more the nature of a FOOD VITALIZER. It assists Nature, by restoring a proper

QUICK RELIEF!

from Blinding Headaches and Nervousness Caused by Constipation.

Cleans the System of Dangerous Toxins and Poisonous Waste.
